auditor's report to chorley borough council

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CHORLEY BOROUGH COUNCIL

OPINION ON THE FINANCIAL STATEMENTS

I have audited the accounting statements and related notes of Chorley Borough Council for the year ended 31 March 2008 under the Audit Commission Act 1998. The Authority's accounting statements comprise the Income and Expenditure Account, the Statement of the Movement on the General Fund Balance, the Balance Sheet, the Statement of Total Recognised Gains and Losses, the Cash Flow Statement, the Collection Fund and the related notes. These accounting statements have been prepared under the accounting policies set out in the Statement of Accounting Policies.

This report is made solely to the members of Chorley Borough Council in accordance with Part II of the Audit Commission Act 1998 and for no other purpose, as set out in paragraph 36 of the Statement of Responsibilities of Auditors and of Audited Bodies prepared by the Audit Commission.

RESPECTIVE RESPONSIBILITIES OF THE RESPONSIBLE FINANCIAL OFFICER AND AUDITOR

The Responsible Financial Officer's responsibilities for preparing the financial statements in accordance with relevant legal and regulatory requirements and the Statement of Recommended Practice on Local Authority Accounting in the United Kingdom 2007 are set out in the Statement of Responsibilities for the Statement of Accounts.

My responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

I report to you my opinion as to whether the Authority accounting statements present fairly, in accordance with relevant legal and regulatory requirements and the Statement of Recommended Practice on Local Authority Accounting in the United Kingdom 2007, the financial position of the Authority and its income and expenditure for the year;

I review whether the governance statement reflects compliance with 'Delivering Good Governance in Local Government: A Framework' published by CIPFA/SOLACE in June 2007. I report if it does not comply with proper practices specified by CIPFA/SOLACE or if the statement is misleading or inconsistent with other information I am aware of from my audit of the financial statements. I am not required to consider, nor have I considered, whether the governance statement covers all risks and controls. Neither am I required to form an opinion on the effectiveness of the Authority's corporate governance procedures or its risk and control procedures

I read other information published with the Authority accounting statements, and consider whether it is consistent with the audited Authority accounting statements. This other information comprises the Explanatory Foreword. I consider the implications for my report if I become aware of any apparent misstatements or material inconsistencies with the accounting statements. My responsibilities do not extend to any other information.

BASIS OF AUDIT OPINION

I conducted my audit in accordance with the Audit Commission Act 1998, the Code of Audit Practice issued by the Audit Commission and International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the Authority accounting statements and related notes. It also includes an assessment of the significant estimates and judgments made by the Authority in the preparation of the Authority accounting statements and related notes, and of whether the accounting policies are appropriate to the Authority's circumstances, consistently applied and adequately disclosed.

auditor's report to chorley borough council

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the Authority accounting statements and related notes are free from material misstatement, whether caused by fraud or other irregularity or error. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the Authority's accounting statements and related notes.

OPINION

In my opinion the Authority's financial statements present fairly, in accordance with relevant legal and regulatory requirements and the Statement of Recommended Practice on Local Authority Accounting in the United Kingdom 2007, the financial position of the Authority as at 31 March 2008 and its income and expenditure for the year then ended.

CONCLUSION ON ARRANGEMENTS FOR SECURING ECONOMY, EFFICIENCY AND EFFECTIVENESS IN THE USE OF RESOURCES

AUTHORITY'S RESPONSIBILITIES

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance and regularly to review the adequacy and effectiveness of these arrangements.

AUDITOR'S RESPONSIBILITIES

I am required by the Audit Commission Act 1998 to be satisfied that proper arrangements have been made by the Authority for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the Audit Commission requires me to report to you my conclusion in relation to proper arrangements, having regard to relevant criteria specified by the Audit Commission for principal local authorities. I report if significant matters have come to my attention which prevent me from concluding that the Authority has made such proper arrangements. I am not required to consider, nor have I considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

CONCLUSION

I have undertaken my audit in accordance with the Code of Audit Practice and having regard to the criteria for principal local authorities specified by the Audit Commission and published in December 2006, I am satisfied that, in all significant respects, Chorley Borough Council made proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ending 31 March 2008.

BEST VALUE PERFORMANCE PLAN

We issued our statutory report on the audit of the Council's best value performance plan for the financial year 2007/08 in December 2007. We did not identify any matters to be reported to the Council and did not make any recommendations on procedures in relation to the plan.

auditor's report to chorley borough council

CERTIFICATE

I certify that I have completed the audit of the accounts in accordance with the requirements of the Audit Commission Act 1998 and the Code of Audit Practice issued by the Audit Commission.

Tim Watkinson
District Auditor

2nd Floor Aspinall House
Aspinall Close
Middlebrook

25th September 2008

explanatory foreword

1. INTRODUCTION BY THE CHIEF FINANCE OFFICER

The Council's Statement of Accounts is intended to show the overall financial position of the Authority. This foreword provides a summary of the key matters reported in the Accounts. The Accounts comprise the following statements that have been prepared in accordance with the Code of Practice on Local Authority Accounting In Great Britain.

Statement of Responsibilities, which sets out the respective responsibilities of the Authority and the Chief Finance Officer for the accounts.

Statement of Accounting Policies, which explains the basis for recognition, measurement and disclosure of transactions and other events in the accounts.

The Annual Governance Statement. The Leader of the Council, Chief Executive, and Chief Finance Officer, supported by other senior officers and members, have responsibility to ensure that proper Corporate Governance arrangements are in place throughout the Council. This means having:

- An effective system of Internal Control; and
- Proper management of the risks that might prevent the Council achieving its stated aims, objectives and priority outcomes.

Income and Expenditure Account, which brings together expenditure and income relating to all the Authority's functions.

Statement of Movement on the General Fund Balance, a reconciliation statement that summarises the differences between the outturn on the Income and Expenditure Account and the General Fund Balance.

Statement of Total Recognised Gains and Losses, which brings together all the gains and losses of the Council for the year and shows the aggregate increase in its net worth.

Balance Sheet, which sets out the assets and liabilities for the Authority.

Cash Flow Statement, which summarises the inflows and outflows of cash at the Authority during the accounting period.

Housing Revenue Account: The Council disposed of its housing stock in March 2007. The Housing Revenue Account records residual expenditure and income occurring in 2007/08. The account was closed on 31 March 2008.

Collection Fund Account, which shows transactions in relation to the collection and distribution of Non Domestic Rates and Council Tax.

Each of the statements is inextricably linked and whilst individually important must be seen collectively to ensure they are looked at in context. Set out below is some interpretation of the accounts and information about the financial position of the Council.

Changes to Accounts 2007/08, the key changes in year in relation to the overall look and feel of the accounts relate to changes in the way local Authorities Account for certain transactions. This is the result of the move to make Local Authority accounts more compliant with the standards and form of the private sector.

The major change concerns accounting for "Financial Instruments", a term that covers borrowings, investments, and the giving of financial guarantees. The regulations also affect the accounting treatment of any loans made at concessionary rates. These changes have had little impact on the main financial statements, but they have necessitated many additional disclosure notes.

The other significant change concerns accounting for fixed assets. Reductions in property values, or capital investment that does not increase the value of an asset, are now charged to the Income and Expenditure account. The amounts are significant, but they do not result in an increased charge to council tax payers, since special provisions allow the charges to be reversed before they hit the "bottom line". Increases in property values are now recorded in the Revaluation Reserve.

explanatory foreword

2. INCOME AND EXPENDITURE 2007/08

The Council spends money on a variety of services. Set out in Figure 1 below is a summary of the main areas on which money has been spent during the year and how it's paid for.

Figure 1. Revenue Expenditure & Funding

During the year the Council's net cash expenditure on the General Fund revenue account amounted to (£0.322m) when compared against planned expenditure. The 2006/07 figures have been restated to reflect the latest Council management structure. The main variations, analysed by directorate, against that originally planned are summarised in the table below:

Figure 2. Budget Variations by Unit 2007/08	Budget 2006/07	Actual 2006/07	Variation 2006/07	Budget 2007/08	Actual 2007/08	Variation 2007/08

explanatory foreword

3. CAPITAL SPENDING AND FINANCING 2007/08

During the year the Council spent a total of £6.474m on capital schemes. £0.612m of that sum was expended on the Housing Investment Programme (HIP), mainly in improving private sector housing.

Key areas of expenditure included sums spent on:

- Cost associated with making the Council more efficient
- Investing in regeneration projects
- Environmental improvements
- Leisure and play facilities

The capital spending in 2007/08 was financed from these sources:

- Capital receipts £2.821m
- Grants and contributions £3.516m
- Revenue financing £0.137m

During 2007/08 no additional borrowing was required to finance the capital spend.

Figure 3. Sources of Finance for Capital Spending

■ Capital Receipts

■ Grants & Contributions

■ Revenue Contributions

4. OVERALL THE FINANCIAL POSITION OF THE AUTHORITY REMAINS POSITIVE

A balanced revenue budget continues to be achieved, and funds set aside for contingencies and any fluctuations in spending are sufficient. There still remains some risk in managing the budget and ensuring the continuity of resources to finance the Council's plans. Some of the key issues at hand include:

- Uncertainty about the levels of Government support
- The ability of the Authority to deliver the expected savings factored into the budget
- The effects of changes in legislation to the funding of housing benefits
- The effects of changes in legislation to fund concessionary travel

explanatory foreword

5. PENSIONS FUND

The Pension Fund actuarial valuation was completed during the financial year 2006/07. The FRS17 deficiency is shown in the statement of total recognised gains and losses. The excess of the accrued pension liabilities assessed on a prescribed basis, compared with the market value of assets at a single point in time (i.e. 31 March 2008) is shown in the balance sheet at £27.3m. It represents an actuarially calculated figure for accounting purposes. Whilst successive year on year FRS17 figures can normally be expected to give a general indication of how the finances of the fund are progressing, only if the actual assumptions come to fruition will the true picture be known. The outcome from the fund valuation is that there is an underlying deficit and as such the employer's contribution rate will rise incrementally over the next three years to redress the deficit. An increase in the contribution rate has already been budgeted for in 2008/09 and thereafter, the increase being as shown in the following table:

2006/07 Employer's Contribution Rate %	2007/08 Employer's Contribution Rate %	2008/09 Employer's Contribution Rate %	2009/10 Employer's Contribution Rate %	2010/11 Employer's Contribution Rate %
<u>14.5</u>	<u>15.8</u>	<u>16.8</u>	<u>17.8</u>	<u>18.8</u>

6. FUTURE DEVELOPMENTS AND SPENDING

The Council's vision is **to make Chorley a better place to live, work and visit**. In order to achieve this, the Council's key priorities remain:

- Prosperity
- People
- Place
- Performance

Future spending of both a capital and revenue nature will be directed to these priority areas.

Our commitment to making Chorley a better place to live will mean that key improvements will be made In 2008/09. We plan to spend £9.188m on capital schemes comprising:

- Town Centre and Markets improvements
- Affordable Housing and Home Improvement Grants
- Enhancing park, recreation and leisure facilities
- Investing in Council assets and systems
- Enhanced recycling

In order to pay for the investment programme the resources to be used will come from a variety of sources. A summary of those sources is shown in the Figure below

explanatory foreword

Figure 4. Future Capital Resources

Capital spending plans for 2008/09 assume the receipt of resources such as developers' contributions and income from the sale of surplus assets or former Council dwellings, which may be affected by factors beyond the Council's control. In particular, the "credit crunch" may have an impact on the housing market in general that may make it harder to achieve the estimated levels of capital resources. The situation will be monitored and amendments made to the spending plans as necessary.

7. CONTINUING REVENUE SUPPORT IN KEY AREAS

The Council continues to invest in its key priority areas. In 2008/09 additional revenue was identified for investing in neighbourhoods and the promotion of the town. We will continue to review whether the Council's scarce resources are allocated properly as we refresh the Council's plans annually. The potential for growth remains limited and efforts will be made to redirect money away from non-priority areas into those considered a priority. However, the Council will endeavour to increase the resources available to it by :

- Continuing to lobby for its fair share of Government grant
- Ensuring that it secures any additional funding that may be available from other sources, i.e. lottery funds etc
- Identifying efficiencies and non-essential spending that may be redirected into the key priority areas.

8. FURTHER INFORMATION

Further information about this statement of accounts is available from:

Assistant Chief Executive (Business Transformation and Improvement), Town Hall, Market Street, Chorley, Lancashire, PR7 1DP

This information can be made available to you in larger print or on audiotape, or can be translated into your own language. Please telephone 01257 515660 to access this service.

Gary Hall BA CPFA
ASSISTANT CHIEF EXECUTIVE (BUSINESS TRANSFORMATION AND IMPROVEMENT)

statement of responsibilities

STATEMENT OF RESPONSIBILITIES

The following responsibilities are placed upon the Authority and the Chief Finance Officer in relation to the Council's financial affairs:

The Authority's Responsibilities

The Authority is required:

- To make arrangements for the proper administration of its financial affairs and to ensure that one of its officers (the Chief Finance Officer) has the responsibility for the administration of those affairs. In this Authority, that officer is the Assistant Chief Executive (Business Improvement and Transformation).
- To manage its affairs to secure economic, efficient and effective use of resources and safeguard its assets.
- To approve the statement of accounts.

Executive Leader – Councillor Peter Goldsworthy

Date:

The Chief Finance Officer's Responsibilities

As Chief Finance Officer, I am responsible for the preparation of the Authority's Statement of Accounts. They are prepared in accordance with proper practices, as set out in the CIPFA/LASAAC *Code of Practice on Local Authority Accounting in the United Kingdom*.

In preparing this Statement of Accounts, as Chief Finance Officer I have

- Selected suitable accounting policies and applied them consistently
- Made judgements and estimates that were reasonable and prudent
- Complied with the Code of Practice

I have also:

- Kept proper accounting records which are up to date
- Taken reasonable steps for the prevention and detection of fraud and other irregularities.

This Statement of Accounts presents fairly the financial position of the Authority at the accounting date and its income and expenditure for the year ended 31 March 2008.

Gary Hall BA CPFA
ASSISTANT CHIEF EXECUTIVE (BUSINESS
TRANSFORMATION AND IMPROVEMENT)

Date:

accounting policies

1. INTRODUCTION

The accounts have been prepared in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom and guidance notes issued by the Chartered Institute of Public Finance and Accountancy (CIPFA). The Code of Practice specifies the principles and practices of accounting required to prepare a Statement of Accounts which 'presents fairly' the financial position and transactions of a local authority.

In accordance with the CIPFA Statement of Recommended Practice (SORP), the Authority has adopted a number of principles to be followed in selecting accounting policies to be used and the corresponding use of disclosures needed to help users to understand those adopted policies and how they have been implemented.

In doing so, the Authority intends that the policies adopted are those most appropriate to its particular circumstances for the purpose of presenting fairly the financial position and transactions of the Authority. Policies are reviewed regularly to ensure they remain appropriate, and are changed when a new policy becomes more appropriate to the Authority's circumstances – a full disclosure of any such changes will always be provided.

The concepts that the Authority has regard to in selecting and applying the most appropriate policies and estimation techniques are:

- The qualitative characteristics of financial information
 - relevance – to enable the assessment of stewardship
 - reliability – the statement is free from bias and material error and is complete
 - comparability – it can be compared against previous years performance
 - comprehensibility – all reasonable efforts are used to make the statement understandable
- Materiality – Information of significance is included
- Pervasive accounting concepts
 - accruals – non cash transactions are used to create the accruals
 - going concern – an assumption the authority will continue to exist for the foreseeable future
 - primacy of legislative requirements – overrides other accounting concepts

Accounting policies can be defined as the principles, bases, conventions, rules and practices applied, that specify how the transactions and other events are to be reflected in the financial statements through recognising, selecting measurement bases for, and presenting assets, liabilities, gains, losses and changes in reserves.

2. RESERVES AND PROVISIONS

Reserves consist of fund balances accumulated for use by the Council in the future. Expenditure is not charged direct to any reserve, instead it is charged to the appropriate service revenue account, and the reserve appropriated back into the General Fund Balance. Reserves include earmarked reserves set aside for purposes such as general contingencies and cash flow management. A summary of these is given in Note 32 to the Core Financial Statements.

Certain reserves are kept to manage the accounting process for tangible fixed assets and retirement benefits and do not represent usable resources for the Council. These reserves are explained in the relevant policies below.

Provisions are required for any liabilities of uncertain timing or amount that have been incurred. They are required to be recognised when the Council has a present obligation as a result of a past event; it is probable that a transfer of economic benefits will be required to settle the obligation; and a reliable estimate can be made of the amount of the obligation. If these conditions are not met, no provision is recognised. Provisions are charged to the appropriate revenue account. When payments for expenditure are incurred to which the provision relates they are charged direct to the provision. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

accounting policies

3. TANGIBLE FIXED ASSETS

All expenditure on the acquisition, creation or enhancement of tangible fixed assets is capitalised on an accruals basis in the accounts. Expenditure on tangible fixed assets is capitalised, provided that assets yield benefits to the Council, and the services it provides, for a period of more than one year. This excludes expenditure on routine repairs and maintenance of fixed assets, which is charged direct to service revenue accounts.

Expenditure that would be capitalised includes the following:

- the acquisition, reclamation, enhancement or laying out of land;
- the acquisition, construction, preparation, enhancement or replacement of roads, buildings and other structures, including insulation works and disabled adaptations;
- the acquisition, installation or replacement of movable or immovable plant, machinery, vehicles, apparatus or vessels;

Other expenditure that may be capitalised includes advances or grants to other parties towards expenses incurred in respect of such capital expenditure – see Accounting Policy 4 (Deferred Charges); and the acquisition of computer software licenses – see Accounting Policy 5 (Intangible Assets).

Tangible fixed assets are valued on the basis recommended by CIPFA, and in accordance with the Statements of Asset Valuation Principles and Guidance Notes issued by The Royal Institution of Chartered Surveyors (RICS), by a qualified valuer. Tangible fixed assets are classified into the groupings required by the Code of Practice on Local Authority Accounting, Statement of Recommended Practice. They are included in the Balance Sheet on the following basis:

- land, operational properties and other operational assets are included at the lower of net current replacement cost and net realisable value.
- non-operational assets, including investment properties and assets that are surplus to requirements, are included at the lower of net current replacement cost and net realisable value. In the case of investment properties, this is normally open market value.
- infrastructure assets and community assets are included in the balance sheet at historical cost.

Assets included in the Balance Sheet at current value are revalued where there have been material changes in value, but as a minimum every five years. Since 1 April 2007 any increase in valuation has been credited to the Revaluation Reserve. Changes in value prior to that date have been consolidated into the Capital Adjustments Account.

Any reduction in value resulting from a revaluation (impairment) is charged to the service revenue account if it is attributable to the clear consumption of economic benefit. Otherwise the reduction is written off against any revaluation gains held in the Revaluation Reserve. If these are inadequate the excess is charged to the relevant service revenue account.

Depreciation is provided for on all tangible fixed assets with a finite useful life (determined at the time of acquisition or revaluation), calculated using the straight-line method. Where the asset comprises two or more major components with substantially different useful economic lives, each component is accounted for separately for depreciation purposes and depreciated over its individual useful life. (See Note 17 to the Core Financial Statements.)

Revaluation gains are also depreciated, with an amount equal to the difference between current value depreciation charged on assets, and the depreciation that would have been chargeable based on their historical cost, being transferred each year from the Revaluation Reserve to the Capital Adjustment Account.

accounting policies

4. DEFERRED CHARGES

Deferred charges represent expenditure that may be capitalised, but which does not represent tangible fixed assets. This category of capital expenditure includes expenditure such as home improvement grants paid to private sector householders. Revenue expenditure may be capitalised at cost following a direction by the Secretary of State. Deferred charges are amortised to revenue over an appropriate period consistent with the consumption of the economic benefits controlled by the Council, usually the year in which the expenditure is incurred.

(See Note 19 to the Core Financial Statements.)

5. INTANGIBLE ASSETS

Expenditure on assets that do not have physical substance but are identifiable and controlled by the Council (e.g. software licences) is capitalised when it will bring benefits to the Council for more than one financial year. The balance is amortised to the relevant service revenue account over the economic life of the investment to reflect the pattern of consumption of benefits. An amount equal to the amortisation charges for the use of intangible assets included in revenue accounts is credited to the Reconciling Items for the Statement of Movement on the General Fund Balance.

(See Note 14 to the Core Financial Statements.)

An intangible item may meet the definition of an asset when access to the future economic benefits that it represents is controlled by the reporting entity, either through custody or legal protection. Purchased intangible assets (e.g. software licences) are capitalised as assets at their cost. Intangible assets are amortised on a systematic basis over their economic lives.

(See Note 18 to the Core Financial Statements.)

6. RECEIPTS ARISING FROM THE SALE OF INTANGIBLE AND TANGIBLE FIXED ASSETS

When an asset is disposed of or decommissioned, the Balance Sheet value is written off to the Income & Expenditure Account. This is offset by crediting the disposal receipt. Any revaluation gains in the Revaluation Reserve are transferred to the Capital Adjustments Account.

Receipts in excess of £10,000 are categorised as capital receipts. A proportion of receipts from housing disposals is payable to the Government. The balance must be credited to the Capital Receipts Reserve to be used for new capital expenditure or to reduce the need to borrow. To achieve this the usable portion of the receipts are appropriated to the Reserve from the Statement of Movement on the General Fund Balance (SMGFB).

The written off value of disposals is not a charge against council tax, as the cost of fixed assets is fully provided for under separate arrangements for capital financing. Amounts are appropriated to the Capital Adjustments Account from the SMGFB.

7. GRANTS

Revenue grants are accounted for in the year in which they arise and are credited to the relevant service in the Income and Expenditure Account. Grants made to finance the general activities of the Council or to compensate for a loss of income are credited to the revenue account of the period in respect of which they are payable.

Where the acquisition or enhancement of a fixed asset is financed wholly or in part by a Government grant or other contribution, the amount of the grant or contribution is credited to the Government Grants – Deferred account. (See Note 30 to the Core Financial Statement.) This is subsequently written off to the Reconciling Items for the Statement of Movement on the General Fund Balance over the useful life of the asset to match the depreciation of the asset to which it relates. (See Note 14 to the Core Financial Statement.)

Government grants or other contributions are accounted for on an accruals basis and recognised in the accounting statements when the conditions for their receipt have been complied with and there is reasonable assurance that the grant or contribution will be received.

accounting policies

8. INTEREST

Interest paid on external borrowings is accrued and charged to the Income and Expenditure Account.

Interest earned on the external investment of surplus funds is accrued and credited to the Income and Expenditure Account.

9. LEASING

The Council may acquire items under leasing arrangements that fall within the following categories

- Finance leases - whereby the risks and responsibilities of ownership are substantially transferred to the Council
- Operating leases - whereby the lessor retains the risks and responsibilities of ownership

Assets acquired under finance leases that had not been fully depreciated would be capitalised in the Authority's accounts.

The amount of lease rentals paid during 2007/08 and the amount of undischarged leasing obligations are shown at Note 21 to the Core Financial Statements. Finance and operating lease rentals are charged to revenue. The Council had no finance leases in operation during 2007/08. In line with the SORP, operating leases are not shown as assets or liabilities on the Authority's balance sheet.

10. ACCRUALS OF REVENUE AND CAPITAL INCOME AND EXPENDITURE

Customer and client receipts in the form of sales, fees and charges and rents are accrued and accounted for at cost in the period to which they relate. Revenue is only recognised to the extent that performance of contractual obligation has taken place. Payments received in advance of such performance are recognised as a liability in the balance sheet.

Provision has been made on an actual or estimated basis for all debtors and creditors as at 31 March 2008 with the exception of various items where the charges from one year to the next are not material, i.e. gas, electricity and telephone charges.

See Note 26 to the Core Financial Statements.

11. VALUE ADDED TAX

VAT is included in income and expenditure accounts, whether of a capital or revenue nature, only to the extent that it is irrecoverable.

12. STOCKS AND STORES

Some stores held by the Council are shown in the accounts at estimated current replacement value. All other stocks are shown at cost price. (See Note 25 to the Core Financial Statements.) This is a departure from the SSAP9, which requires that stocks be valued at the lower of cost and net realisable value. The potential impact on the accounts is that stocks could be overstated in the statements, although investigation of the impact has shown that any overstatement would not be material in the accounts.

13. CENTRAL SUPPORT SERVICE AND ADMINISTRATIVE EXPENSES

A full allocation of these overhead costs is made to all services and accounts. This allocation is based on an estimation of resource consumption. Where full allocation has not been made, the balances on those support service and administrative expenses accounts are immaterial. The costs are charged out using the principles of the CIPFA Best Value Accounting Code of Practice. The total absorption principle is used, with the exception of:

- Corporate and Democratic core costs
- Non distributed costs

accounting policies

14. PENSION COSTS

Accounting for employees' pensions is in accordance with generally accepted accounting practice subject to the interpretations set out in the SORP. Where the payments made for the year in accordance with the pension scheme requirements do not match the change in the Council's recognised asset or liability for the period, the recognised cost of pensions will not match the amount required to be raised in taxation. This is represented by an appropriation to or from the pensions reserve that equals the net change in the pensions liability recognised in the Income and Expenditure Account.

The current service cost is included within Net Cost of Services. The net of the interest cost and the expected return on assets is included within Net Operating Expenditure. Actuarial gains and losses arising from any new valuation and from updating the latest actuarial valuation to reflect conditions at the balance sheet date are recognised in the Statement of Total Recognised Gains and Losses for the period.

Past service costs are recognised in Net Cost of Services on a straight-line basis over the period in which the increases in benefits vest. To the extent that the benefits vest immediately, the past service cost should be recognised immediately.

The Council has revised powers to make discretionary awards of retirement benefit in the event of early retirement. There were no discretions granted during the accounting period.

Further information is presented in Notes 38 and 39 to the Core Financial Statements.

15. INVESTMENTS/INTEREST IN COMPANIES

Investments in companies and marketable securities are carried at cost less provision, where appropriate, for loss in value. Long-term investments are identified separately on the face of the balance sheet. (See Note 23 to the Core Financial Statements.) Dividend income from investments would be recognised when the Council had the right to receive the dividend.

Where the Council invests in companies, and has a controlling interest, group accounts should be produced. The Council has previously had such interests but in 2007/08 had no interest in any company that undertook any trading activity during the period.

16. CONTINGENT ASSETS

A contingent asset is a possible asset arising from past events whose existence will be confirmed only by the occurrence of one or more uncertain future events not wholly within the local authority's control. Contingent assets are not recognised in the accounting statements, but are disclosed by way of notes if the inflow of a receipt or economic benefit is probable. Such disclosures indicate the nature of the contingent asset and an estimate of its financial effect.

See Note 36 to the Core Financial Statements.

17. CONTINGENT LIABILITIES

A contingent liability is either a possible obligation arising from past events whose existence will be confirmed only by the occurrence of one or more uncertain future events not wholly within the authority's control; or a present obligation arising from past events where it is not probable that a transfer of economic benefits will be required or the amount of the obligation cannot be measured with sufficient reliability.

See Note 36 to the Core Financial Statements.

accounting policies

18. EVENTS AFTER THE BALANCE SHEET DATE

Where an event (favourable or unfavourable) occurs after the balance sheet date and it provides evidence of conditions that existed at the balance sheet date, the amounts recognised in the Statement of Accounts would be adjusted. Any disclosures affected by the new information about such an 'adjusting event' would be updated as a consequence.

Where an event that occurs after the balance sheet date is indicative of conditions that arose after the balance sheet date, the amounts recognised in the Statement of Accounts are not adjusted. However, there would be a disclosure for each material category of 'non-adjusting' event after the balance sheet date to indicate the nature of the effect and an estimate of the financial effect, or a statement that such an estimate cannot be made reliably. (See note 47 to the Core Financial Statements)

Events after the balance sheet date are reflected up to the date when the Statement of Accounts is authorised for issue (see note 48 to the Core Financial Statements).

19. GOVERNMENT GRANTS AND CONTRIBUTIONS (REVENUE)

When paid on account, by instalment or in arrears, government grants and third party contributions and donations are recognised as income at the date that the authority satisfies the conditions of entitlement to the grant/ contribution, there is reasonable assurance that the monies will be received and the expenditure for which the grant is given has been incurred. Revenue grants are matched in service revenue accounts with the service expenditure to which they relate. Grants to cover general expenditure are credited to the foot of the Income and Expenditure Account after Net Operating Expenditure.

20. MINIMUM REVENUE PROVISION

In accordance with the requirements of the Local Government and Housing Act 1989, the authority is required to set aside a minimum revenue provision for repayment of debt.

See Note 14 to the Core Financial Statements.

21. PRIOR PERIOD ADJUSTMENTS AND CHANGES IN ACCOUNTING POLICIES

The effect of Prior Period Adjustments arising from changes in accounting policies or from the correction of fundamental errors are disclosed in the Statement of Accounts showing the effect of the change on the results of the current period and explaining the necessity for the adjustments.

22. FINANCIAL INSTRUMENTS

Financial Liabilities

Financial liabilities are initially measured at fair value and carried at their amortised cost. Annual charges to the Income and Expenditure Account for interest payable are based on the carrying amount of the liability, multiplied by the effective rate of interest.

Any gains or losses on the repurchase or early settlement of borrowing are charged to the Income & Expenditure account. However where repurchase has taken place as part of a restructure the premium or discount is added to the amortised cost and charged over the life of the new or modified loan. Where premiums and discounts have been charged directly to the Income and Expenditure Account regulations permit the impact on the General Fund Balance to be spread over future years. This is achieved by transfer to/from the Financial Instruments Adjustment Account. No such gains or losses arose in 2007/08.

accounting policies

Financial Assets

These are classified into two types:

- **Loans and Receivables** – assets that have fixed or determinable payments but are not quoted in an active market. These are measured at fair value and carried at amortised cost. Annual credits to the Income and Expenditure Account are based on the carrying amount multiplied by the effective rate of interest. In all cases where the Council has made loans cost has been used as a proxy for fair value
- **Available for sale assets** – assets that have a quoted market price and/or do not have fixed or determinable payments. These are initially measured, and carried, at fair value. Credits to the Income & Expenditure Account for interest are based on the amortised cost multiplied by the effective rate of interest. The single small investment in this category is valued at its quoted market price. Gains or losses are posted to the Available for sale Reserve. On derecognition gains or losses are charged to the Income and Expenditure Account.

23 DISCONTINUED OPERATIONS

Income and expenditure directly related to discontinued operations is shown separately on the face of the Income and Expenditure Account under the heading of Discontinued Operations. Any liabilities in respect of these operations is disclosed separately in the notes to the Balance Sheet

See note 1 to the Core Financial Statements

24 LOCAL AREA AGREEMENT GRANT

A Local Area Agreement is a three year agreement between the Government Office and a Local Strategic Partnership, representing authorities and other public, private, voluntary and community interests for the area. The LAA sets out the priorities for a local area in defined areas of activity. Under the LAA many central government grants received by authorities are pooled and paid as LAA Grant to the upper tier local authority which acts as the accountable body for the LAA.

Grant allocations from the Accountable Body to the Council are accounted for on an accruals basis, and are apportioned between the services funded by the grant.

See note 9 to the Core Financial Statements

25 CHANGES IN ACCOUNTING POLICIES

The Code of Practice on Local Authority Accounting in the UK – A Statement of Recommended Practice (SORP), is proper accounting practice under section 21 of the Local Government Act 2003, for all local authorities. In recent years the Accounting Standards Board (ASB) has required the SORP to become compliant with UK generally accepted accounting practice (UK GAAP). This has resulted in the 2007 SORP introducing fundamental changes to the accounting for fixed assets.

In these accounts it has resulted in the creation of a true Revaluation Reserve and a Capital Adjustment Account. The latter account shows the difference between the capital charges made in the accounts in compliance with UK GAAP, and those required of authorities by statute.

The other significant change introduced by the SORP is in accounting for Financial Instruments. These changes are explained in fuller detail elsewhere in this statement.

the annual governance statement

1. Scope of Responsibility

Chorley Council is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively. The Council also has a duty under the Local Government Act 1999 to make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness.

In discharging this overall responsibility, the Council is responsible for putting in place proper arrangements for the governance of its affairs, facilitating the effective exercise of its functions and which includes arrangements for the management of risk.

The Council has approved and adopted a Code of Corporate Governance, which is consistent with the principles of the CIPFA/SOLACE Framework *Good Governance in Local Government*. A copy of the Code is on our website at www.chorley.gov.uk under "Council & Democracy" or can be obtained from Andrew Docherty, Corporate Director of Governance, Town Hall, Chorley, PR7 1DP. This statement explains how Chorley Council has complied with the Code and also meets the requirements of regulation 4(2) of the Accounts and Audit Regulations 2003 as amended by the Accounts and Audit (Amendment) Regulations 2006 in relation to the publication of a statement on internal control.

2. The Purpose of the Governance Framework

The governance framework comprises the systems and processes, the culture and values by which the authority is directed and controlled and its activities through which it accounts to, engages with and leads the community. It enables the authority to monitor the achievement of its strategic objectives and to consider whether those objectives have led to the delivery of appropriate, cost-effective services.

The system of internal control is a significant part of that framework and is designed to manage risk to a reasonable level. It cannot eliminate all risk of failure to achieve policies, aims and objectives and can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

The governance framework has been in place at the Council for the year ended 31 March 2008 and up to the date of approval of the annual report and statement of accounts.

the annual governance statement

3. The Governance Framework

The following paragraphs describe the key elements of the systems and processes that comprise the authority's governance arrangements:

Identifying & communicating the authority's vision of its purpose and intended outcomes for citizens and service users

- The Corporate Strategy sets out the Council's vision, priorities and strategic objectives. These are derived from the Community Strategy, which clearly articulates a shared vision for the Borough of Chorley.
- Long term outcomes and interim performance targets have been established for each strategic objective.
- The Community Strategy and Corporate Strategy are published widely and are also available on the Council website and intranet.

Reviewing the authority's vision & its implications for the authority's governance arrangements

- The Community Strategy and Corporate Strategy are regularly reviewed and the Council's vision and strategic objectives have been refined to reflect changing aspirations, both locally and nationally.
- A performance management framework is in place for the Local Strategic Partnership providing clear arrangements for joint working, including specific LSP projects.

Measuring the quality of services for users, for ensuring they are delivered in accordance with the authority's objectives and for ensuring that they represent the best use of resources

- Service level Business Improvement Plans contain key projects that are geared towards achieving overall strategic objectives. They also contain challenging targets in respect of both national performance indicators and local performance targets.
- This system is in turn supported by individual staff performance and development reviews to ensure that everyone understands their individual and service unit contribution to corporate goals.
- The Council uses a bespoke performance management software system, Performance Plus, which uses a traffic light system to monitor not only individual performance indicators, but also their combined effect on the achievement of strategic objectives. Reports are produced to ensure that trends in performance can be identified and corrective action introduced if appropriate. This is supported by a robust data quality control system, which ensures the accuracy of the reported information.
- Performance against targets is monitored at officer and member levels, by Strategy Group, Executive Cabinet, Overview & Scrutiny and the Audit Committee.
- The Council achieved a maximum score of 4 for the 2007 Use of Resources assessment by the Audit Commission, which demonstrates that the above arrangements are effective.

Defining & documenting the roles & responsibilities of the executive, non-executive, scrutiny and officer functions, with clear delegation arrangements and protocols for effective communication

- The Council's Constitution sets out how the Council operates, how decisions are made and the procedures that are followed to ensure that these are efficient, transparent and accountable to local people.
- Policy and decision-making is facilitated through the Executive Cabinet supported by a framework of Statutory and Overview & Scrutiny Committees.
- The Constitution also sets out the situations where senior officers of the Council can make decisions under delegated authority
- The Council publishes a Forward Plan containing details of key decisions to be made by the Council, its committees and chief officers under their delegated powers (and has specified what is significant expenditure in terms of the definition of a key decision).

the annual governance statement

Developing, communicating and embedding codes of conduct, defining the standards of behaviour for members and staff

- The Council's Constitution contains formal Codes of Conduct that articulate the standards of ethical behaviour that are expected from members and officers. These incorporate procedures for the disclosure of pecuniary interests and offers of gifts and hospitality.
- Both members and officers have been extensively briefed on personal conduct and disclosure requirements.
- An automated system has been established on the Council's intranet for officer disclosures.

Reviewing & updating standing orders, standing financial instructions, a scheme of delegation and supporting procedure notes / manuals, which clearly define how decisions are taken and the processes and controls to manage risks

- The Corporate Director of Governance arranges for the review and re-adoption of the Council Constitution on an annual basis. This includes a review of Standing Orders, Contract Procedure Rules, Financial Procedure Rules and Responsibilities for Functions.
- The standard member reporting procedure requires a consideration of risk for all significant decisions. This is also underpinned by a robust structure and system for identifying and evaluating all significant business risks at both the strategic and operational levels, the key elements of which are a Strategic Risk Register and service level risk assessments built into the business planning process.

Undertaking the core functions of an audit committee, as identified in CIPFA's Audit Committees - Practical Guidance for Local Authorities

- The Council has appointed an Audit Committee whose terms of reference comply with the latest CIPFA guidelines. These extend to monitoring the Council's governance and risk management framework and include reviewing the adequacy of the governance framework.

Ensuring compliance with relevant laws and regulations, internal policies and procedures and that expenditure is lawful

- The Council aims to ensure compliance with established policies, procedures, laws and regulations through a variety of mechanisms, including:
 - Monitoring Officer;
 - Section 151 Officer;
 - Internal Audit;
 - External Audit;
 - Performance management system.
- The Council has designated the Corporate Director of Governance as Monitoring Officer, who plays a key role in ensuring compliance. After consulting with the Chief Executive, the Monitoring Officer will report to the full Council if he/she considers that any proposal, decision or omission would give rise to unlawfulness or maladministration. Such a report will have the effect of stopping the proposal or decision being implemented until the report has been considered.
- The standard committee reporting procedure and template now requires the monitoring officer to consider legality and compliance in respect of all decisions made by members.

the annual governance statement

Arrangements for whistle blowing and for receiving and investigating complaints from the public

- The Council has an up to date Whistle Blowing Policy, which has been widely publicised via the Council web site, intranet and other channels. All members of staff have been fully briefed on the Policy including how, and whom they should make a disclosure.
- The Council also operates a formal Corporate Complaints Procedure, which has been widely publicised.

Identifying the development need of members and senior officers in relation to their strategic roles, supported by appropriate training

- Formal induction programmes and training & development plans are in place for both members and senior officers.
- All senior officers participate in the corporate staff appraisal scheme.

Establishing clear channels of communication with all sections of the community and other stakeholders, ensuring accountability and encouraging open consultation

- Up to date strategies are in place in respect of communications, marketing and consultation.

Incorporating good governance arrangements in respect of partnerships and other group working as identified in the Audit Commission's report on the governance of partnerships, and reflecting these in the authorities overall governance arrangements

- The Council has adopted a formal Framework for Partnership Working which specifies the minimum governance requirements in respect of all the Council's partnerships and the enhanced requirements in respect of its key partnerships.

4. Review of Effectiveness

Chorley Council has responsibility for conducting, at least annually, a review of the effectiveness of its governance framework including the system of internal control. The review of effectiveness is informed by the work of executive managers within the authority who have responsibility for the development and maintenance of the governance environment, the Audit & Risk Manager's Annual Report and also by comments made by the external auditors and other review agencies and inspectorates.

The following paragraphs describe the processes that has been applied in maintaining and reviewing the effectiveness of the Council's governance framework:

Corporate Level Review

A management group consisting of the following officers has been established for some time to oversee the compilation of the Annual Governance Statement (previously Statement on Internal Control):

- Assistant Chief Executive - Business Transformation & Improvement (S151 Officer);
- Corporate Director of Governance (Monitoring Officer);
- Assistant Chief Executive - Policy & Performance;
- Audit & Risk Manager.

The group have conducted a detailed corporate level review of the Council's system of governance in accordance with the guidance provided by CIPFA / SOLACE.

the annual governance statement

Directorate Level Review

The Council has also introduced Directorate Assurance Statements requiring Directors to review the operation of a range of governance systems and procedures within their service areas and indicate whether there are any significant non-compliance issues. These are analysed to ascertain whether there are any common areas of concern, and if so, whether these constitute significant governance issues and as such need to be included in the Annual Governance Statement.

Monitoring Officer

As the Council's Monitoring Officer, The Corporate Director of Governance has a duty to monitor and review the operation of the Constitution to ensure its aims and principles are given full effect. The Council reviews the Constitution each year at its Annual Meeting.

Scrutiny Committee

The Council has an Overview and Scrutiny Committee and two subsidiary panels which can challenge a decision which has been made by the Executive Cabinet or a statutory committee but not yet implemented, to enable them to consider whether the decision is appropriate.

Audit Committee

The Council has appointed an Audit Committee whose terms of reference comply with the latest CIPFA guidelines. These extend to monitoring the Council's governance and risk management framework and include reviewing the adequacy of the governance framework.

Standards Sub-Committee

The Council has appointed a Standards Sub-Committee whose terms of reference comply with the guidance set out by the Standards Board for England, including the statutory functions in respect of the local Code of Conduct for Members.

Internal Audit

Internal Audit is responsible for monitoring the quality and effectiveness of the system of governance and internal control. A risk-based Internal Audit Plan is produced each financial year. The reporting process for Internal Audit requires a report of each audit to be submitted to the relevant Directorate. The report includes recommendations for improvements that are included within a Management Action Plan and require agreement or rejection by service managers. The process includes follow-up reviews of agreed recommendations to ensure that they are acted upon.

The Internal Audit Annual Report contains a statement / judgement on overall levels of internal control (a view based on the relative significance of the systems reviewed during the year, in the context of the totality of the control environment).

The Internal Audit Section is subject to regular inspection by the Council's external auditors, who place reliance on the work carried out by them.

External Audit

In accordance with the Audit Commission's Code of Audit Practice, the Council receive regular reports on elements of its internal control environment, including performance management, risk management, financial management and governance.

5. Significant Governance Issues

the annual governance statement

We have been advised on the implications of the result of the review of the effectiveness of the governance framework and system of internal control and have identified the following improvement opportunities:

No.	Governance Areas	Planned Improvements
	<i>Focusing on the purpose of the authority and on outcomes for the community and creating and implementing a vision for the local area</i>	
1	Ensuring that partnerships are underpinned by a common vision of their work that is understood and agreed by all partners	This is the case for the Chorley Partnership (LSP) but it will also be made clear in the Council's other key commercial partnership agreements
2	Measuring the environmental impact of policies, plans and decisions	The standard committee report template will be amended to address this, supported by staff training and awareness
	<i>Members and officers working together to achieve a common purpose with clearly defined functions and roles</i>	
3	When working in partnership, ensuring that members are clear about their roles and responsibilities both individually and collectively in relation to the partnership and to the authority	Clear terms of reference & feedback mechanisms will be established for members working on outside bodies
	<i>Promoting values for the authority and demonstrating the values of good governance through upholding high standards of conduct and behaviour</i>	
4	Ensuring that standards of conduct and personal behaviour expected of members and staff, of work between members and staff and between the authority, its partners and the community are defined and communicated through codes of conduct and protocols.	The Officers' Code of Conduct will be updated and communicated to staff and a section on personal behaviour will be inserted in the Framework for Partnership Working
5	Putting in place arrangements to ensure that members and employees of the authority are not influenced by prejudice, bias or conflicts of interest in dealing with different stakeholders and put in place appropriate processes to ensure that they continue to operate in practice	More formalised monitoring of the Officers' Register of Interests & Disclosures will be established
6	In pursuing the vision of a partnership, agreeing a set of values against which decision making and actions can be judged. Such values must be demonstrated by partners' behaviour both individually and collectively.	This will be incorporated within the performance management & reporting frameworks for the Chorley Partnership and the Council's other key commercial partnerships

the annual governance statement

	<i>Developing the capacity and capability of members and officers to be effective</i>	
7	Ensuring that the statutory officers have the skills, resources and support necessary to perform effectively in their roles and that these roles are properly understood throughout the authority	Staffing plans for the Corporate Governance and Finance functions will be implemented
	<i>Directorate Compliance</i>	
8	Customer feedback mechanisms	More regular, formalised collection & monitoring methods will be introduced for back-office / support services
9	Computer & Data Security	Staff will be reminded to log-off from the network when not in use, supported by a programme of spot-checks
10	Document Retention Guidelines	Annual reviews will be introduced incorporating paper-based and electronic records

The majority of the above improvement actions are not new but represent work in progress or the need to embed frameworks or systems that have been introduced relatively recently.

We propose over the coming year to take steps to address the above matters to further enhance our governance arrangements through the corporate business improvement planning process. We are satisfied that these steps will address the need for improvements that were identified in our review of effectiveness and will monitor their implementation and operation as part of our next annual review.

Cllr P Goldsworthy
Leader of the Council

D Hall
Chief Executive

G Hall
Assistant Chief Executive
(Business Transformation &
Improvement)
(Section 151 Officer)

the core financial statements

INCOME AND EXPENDITURE ACCOUNT FOR THE YEAR ENDED 31 MARCH 2008

This account summarises the resources that have been generated and consumed in providing services and managing the Council during the last year. It includes all day-to-day expenses and related income on an accruals basis, as well as transactions measuring the value of fixed assets actually consumed and the real projected value of retirement benefits earned by employees in the year.

Restated 2006/07 Net Expenditure £'000	DESCRIPTION OF SERVICE	2007/08 Gross Expenditure £'000	2007/08 Gross Income £'000	2007/08 Net Expenditure £'000	Note
681	Central services to the public	6,572	(6,017)	555

THE STATEMENT OF MOVEMENT ON THE GENERAL FUND BALANCE

The Income and Expenditure Account shows the Council's actual financial performance for the year, measured in terms of the resources consumed and generated over the last twelve months. However, the authority is required to raise Council tax on a different accounting basis, the main differences being:

- For Council tax purposes capital investment is accounted for as it is financed, rather than when the fixed assets are consumed.
- Retirement benefits are charged as amounts become payable to pension funds and pensioners, rather than as future benefits are earned.

These differences, and movements in earmarked reserves, are adjusted by movements in the General Fund balance. The increase or decrease in the General Fund balance represents the true financial surplus or deficiency for the year. Full details of the movements are shown in Note 14 to the Core Financial Statements.

This reconciliation statement summarises the differences between the outturn on the Income and Expenditure Account and the General Fund balance.

2006/07 £'000		2007/08 £'000	Note
53,821	(Surplus)/deficit for the year	1,351

notes to the core financial statements

1. DISCONTINUED OPERATIONS

Following a ballot of housing tenants and with financial support from the then Office of the Deputy Prime Minister (ODPM), the Council's housing stock and related assets and liabilities were transferred to Chorley Community Housing on the 26 March 2007. In line with the regulations relating to such stock transfers the Council's Housing Revenue Account had to remain open until the 31 March 2008, although there are substantially no operations in the 2007/08 financial year.

The only significant liability relating to this discontinued operation as at 31 March 2008 is a creditor of £548,543, being housing subsidy due to the Department of Communities and Local Government. This amount is included within the Creditors balance on the Balance Sheet.

2. RECONCILIATION OF RE-STATEMENT ADJUSTMENTS MADE TO 2006/07 INCOME AND EXPENDITURE ACCOUNT FIGURES

	Income & Expenditure Account in 2006/07 Statement of Accounts	Correction to Interest Payable and Similar Charges	Removal of Items from Trading Operations	Reclassify Council Housing as a Discontinued Operation	Restated 2006/07 Income and Expenditure Account
	£'000	£'000	£'000	£'000	£'000
Central Service to the Public	681				681
Cultural, Environment and Planning Services	12,134				12,134
Highways, Roads and Transport Services	278		94		372
Housing Services (including Council dwellings)	52,525			(48,958)	3,567
Corporate and Democratic Core Costs	3,078				3,078
Non Distributed Costs	(545)				(545)
Discontinued Operations				48,958	48,958
IMPACT ON NET COST OF SERVICE	68,151		94	0	68,245
Net costs on Trading undertakings	10		(94)		(84)
Interest and Investment Income	(33)	20			(13)
Interest Payable and Similar Charges	151	(20)			131
IMPACT ON NET OPERATING EXPENDITURE	68,279	0	0	0	68,279

The main purpose of this reconciliation is to explain the effect on the 2006/07 Net Expenditure comparative figures in the Income and Expenditure Account of reclassifying Council Housing as a Discontinued Operation. (See Note 1 above.) In addition, there are two minor adjustments in respect of Interest Payable and Similar Charges, and Trading Operations.

3. THE AMOUNTS OF OUTSTANDING UNDISCHARGED OBLIGATIONS ARISING FROM LONG-TERM CONTRACTS

In 2008/09 the Council is committed to making payments estimated at £2.557 million under a contract with Veolia Environmental Services (UK) Limited (formerly Cleanaway Limited) for the collection of refuse and recyclable waste from the authority's residents. The actual level of payments will depend upon the volumes collected and Veolia's performance in providing the service. This contract expires at the end of 2008/09. A new contract has been awarded to Veolia for ten years from 2009/10, at an estimated cost of £28.75 million

notes to the core financial statements

CLS Chorley manage four indoor leisure facilities on behalf of the Council. The Council is committed to making contract payments estimated to total £0.347 million in 2008/09. The contract expires at the end of 2011 for one of the leisure facilities and continues until 2020 for the other three. See also Note 12 to the Core Financial Statements.

The Council is committed to making estimated payments of £0.280 million in 2008/09 for the Council's insurance portfolio under a contract with Zurich Municipal. The actual payments will vary according to changes in staffing levels, numbers of buildings, etc. The contract expires at the end of 2008/09.

Glendale Managed Services manage Duxbury Park Golf Course on behalf of the Council under the terms of a twenty five year contract, which commenced on the 20th March 2006. Glendale pay an annual rental to the Council. Glendale collect all fees and charges and fund any maintenance out of the cash collected.

In 2007/08 the Council entered into a contract with Liberata UK for the provision of property management services. The contract runs until 2014/15. Estimated payments in 2008/09 are £0.547m.

The Council is committed to make payments for parking enforcement to Lancashire County Council. The agreement runs until 30 September 2009. Estimated payments are £0.231m in 2008/09.

	2008/09 £'000	2009/10 £'000	2010/11 £'000	2011/12 £'000

(84)	Net (Surplus)/Deficit	7	67	74

notes to the core financial statements

5. SECTION 137, LOCAL GOVERNMENT ACT 1972 (AMENDED)

Section 137 of the Local Government Act 1972, as amended, empowers local authorities to make contributions to certain charitable funds, not-for-profit bodies providing a public service in the United Kingdom and mayoral appeals. The Council made no contributions pursuant to this power in 2007/08 (2006/07 restated - nil).

6. EXPENDITURE ON PUBLICITY

In accordance with the Local Government Act 1986, section 5, a local authority is required to disclose its expenditure on publicity. The Act defines publicity as "any communication, in whatever form, addressed to the public at large or to a section of the public".

As per the requirements of section 5(1) of the Local Government Act 1986, the Council's spending on publicity was:

	Restated 2006/07 £'000	2007/08 £'000
Recruitment advertising	74	74
Other advertising	22	29
Promotions/publicity	216	198
	312	301

7. BUILDING REGULATIONS CONTROL SERVICES

The income received and expenditure incurred in respect of Building Regulations Control Services under the Building (Local Authority Charges) Regulations 1998 were as follows:

	2005/06 £'000	2006/07 £'000	2007/08 £'000	Cumulative £'000
Income received	294	256	295	845
Less expenditure incurred	(309)	(293)	(295)	(897)
(Deficit)/Surplus for the year	(15)	(37)	0	(52)

Under these regulations, the function is set a target of covering expenditure incurred in providing the services by the income earned from fees and charges, over a three year period. Over the last three years, expenditure has exceeded income by £0.052m.

8. LOCAL AUTHORITIES (GOODS AND SERVICES) ACT 1970

The Council on occasions is commissioned by other public bodies to undertake work on their behalf. Charging for these services is based on full cost recovery and the expenditure relating to their function is included in the Income and Expenditure account.

	2006/07 £'000	2007/08 £'000
South Ribble Borough Council	67	80
Parish Councils	52	52
Lancashire County Council	265	161
Total	384	293

notes to the core financial statements

9. LOCAL AREA AGREEMENT (LAA)

The Lancashire Partnership consists of:

Lancashire County Council, the 12 Lancashire Districts & strategic partnerships, Lancashire Partnership, Lancashire Police Authority, Lancashire Fire & Rescue, Lancashire Constabulary, Strategic Health Authority and 12 primary care trusts, Business Link Lancashire, Connexions, east Lancashire Chamber of Commerce, Elevate, Environment agency, Job Centre Plus Lancashire, Lancashire Drug Action Team, Lancashire Economic partnership, Lancashire probation Service, Lancashire VCS Consortium, Learning & Skills Council Lancashire, and the N W Development Agency.

The members of the Partnership have signed a Local Area Agreement which identifies areas where improvement in local performance is required, and the action to be taken. The LAA covers a three-year period, of which 2007/08 was the first year.

In 2007/08 Lancashire County Council, as accountable body, received a total of £28.092m from the Government to fund improvements, and of this sum Chorley received £210,279.

10. MEMBERS' ALLOWANCES

Allowances paid to Members in 2007/08 totalled £280,715 (2006/07 £274,046).

11. OFFICERS' REMUNERATION

The numbers of employees whose remuneration, including taxable benefits and redundancy payments, but excluding pension contributions, was £50,000 or more in bands of £10,000 were:

Remuneration Band	Number of Employees	
	Restated 2006/07	2007/08
£50,000 - £59,999	4	3
£60,000 - £69,999	4	3
£70,000 - £79,999	1	2
£80,000 - £89,999	2	2
£90,000 - £99,999	0	1
£100,000 - £109,999	0	0
£110,000 - £119,999	1	0
£120,000 - £129,999	0	1

The 2006/07 figures quoted have been altered from those reported last year, as a result of the inclusion of redundancy costs

12. RELATED PARTY TRANSACTIONS

The Council is required to disclose material transactions with related parties, i.e. bodies or individuals that have the potential to control or influence the Council, or to be controlled or influenced by the Council. The following related party transactions have been identified :

Central Government has effective control of the Council by providing both the statutory framework for the Council, and the majority of its funding. Grants from central government are detailed in the cash flow statement and in note 44.

Other local authorities.

The Council has responsibility for collecting the precepts of the Lancashire County Council, the Lancashire Combined Fire Authority, and the Lancashire Police Authority. These are detailed in the Collection Fund accounts. It also makes payments to the Local Government Pension Scheme, administered by the County Council, which are detailed in note 38.

notes to the core financial statements

The Council has a wide range of other financial and working relationships with the County Council. The only material transaction is the receipt of £0.682m in respect of waste collection and recycling.

Members & Chief Officers

The Council's Standing Orders require Members who believe they have an interest in a matter to be discussed at a Council or Committee meeting to declare that interest and, in general, to withdraw from the meeting while the particular matter is being discussed. It is considered that transactions involving Members and officers with related parties are not material.

Other related parties

- Community Leisure Services are contracted to act as agents of the Council to provide sports and leisure facilities management. In 2007/08 payments totalled £0.440m (2006/07 £0.390m). See also Note 3 to the Core Financial Statement for details of future payments under the terms of the contract.
- The Council's housing stock was transferred to Chorley Community Housing (CCH) in 2006/07. Pursuant to that transfer, in 2007/08 CCH purchased services valued at £0.304m from the Council; the Council purchased services from CCH costing £0.130m; and CCH paid over a proportion of the receipts from the preserved "right to buy" sales of dwellings to former Chorley Council tenants, totalling £1.176m.
- In the following cases the Council made grants that were significant relative to the size of the recipient organisation :

	2006/07 £'000	2007/08 £'000
South Ribble Business Venture	11	12
Lancashire Economic Partnership	20	20
Wigan Groundwork Trust	28	27
South Lancashire Arts Partnership	30	7
Chorley Citizen Advice Bureau	91	109
Chorley Shopmobility	10	10
North West Local Authorities Employers Organisation	10	14
Chorley & South Ribble CVS	4	25
	204	224

13. DISCLOSURE OF AUDIT COSTS

The sums due from Chorley Borough Council to the Audit Commission for works carried out relating to the year of account 2007/08 were:-

	2006/07 £'000	2007/08 £'000
Fees payable in respect of statutory inspection	4	6
Fees payable in respect of the audit of accounts	101	104
Fees payable for the certification of grant claims and returns	27	24
	132	134

notes to the core financial statements

14. RECONCILING ITEMS FOR THE STATEMENT OF MOVEMENT ON THE FUND BALANCES

This statement shows in detail the amounts additional to the surplus or deficit on the Income and Expenditure Account that are required, by statute and non-statutory proper practices, to be debited or credited to the General Fund for the year.

2006/07 £'000		2007/08 £'000
	Amounts to be included in the Income and Expenditure Account but required by statute to be excluded when determining the movement on the Fund balance for the year	
(280)	Amortisation of intangible assets	(228)
(58,917)	Depreciation and impairment of fixed assets	(1,725)
215	Government grants deferred amortisation	523
(2,858)	Write down of deferred charges to be financed from capital resources	(928)
2,247	Gains or losses on the sale of fixed assets	76
(2,173)	LSVT capital receipt applied	0
8,593	LSVT capital grant applied	0
(1,290)	Net charges made for retirement benefits as per FRS 17	(2,347)
0	Other Income	1,144
(54,463)		(3,485)
	Amounts not included in the Income and Expenditure Account but required to be included by statute when determining the movement on the Fund balance for the year	
197	Minimum revenue provision for capital financing	0
108	Capital expenditure charged-in year to revenue	137
(1,180)	Transfer from usable capital receipts to meet payments to the housing capital receipts pool	(11)
1,418	Employers contributions to Lancashire Pension Fund and retirement benefits payable direct to pensioners	1,637
543		1,763
	Transfers to or from the General Fund Balance that are required to be taken into account when determining the movement on the General Fund balance for the year	
373	Housing Revenue Account balance	(70)
0	Voluntary revenue provision for capital financing	0
(43)	Net transfers to and from earmarked reserves	120
330		50
(53,590)	NET ADDITIONAL AMOUNT TO BE CREDITED OR DEBITED TO THE FUND BALANCE FOR THE YEAR	(1,672)

notes to the core financial statements

15. SUMMARY OF CAPITAL EXPENDITURE AND FIXED ASSET DISPOSALS

Movement on Fixed Assets

	Council Dwellings £'000	Operational Assets			Community Assets £'000	Non-Operational Assets £'000	Total Fixed Assets £'000
		Other Land and Buildings £'000	Vehicles, Equipment, Plant, etc £'000	Infra-structure £'000			
Certified valuation 31 March 2007	963	23,074	2,757	0	1,445	4,349	32,588
Accumulated depreciation and impairment	(35)	(1,450)	(1,221)	0	(144)	0	(2,850)
Net book value at 31 March 2007	928	21,624	1,536	0	1,301	4,349	29,738
<i>Movement in 2007/08</i>							
Additions/expenditure in year	0	1,266	383	151	1,339	0	3,139
Appropriations	(903)	253	0	0	0	650	0
Disposals	0	(328)	0	0	0	(933)	(1,261)
Revaluations	(25)	4,482	32	0	0	313	4,802
Depreciation for year	0	(499)	(401)	0	(14)	0	(914)
Impairment	0	(418)	0	0	0	(409)	(827)
Net book value at 31 March 2008	0	26,380	1,550	151	2,626	3,970	34,677

The main items of capital expenditure on fixed assets during the year were:

2006/07 £'000		2007/08 £'000
1,900	Council dwellings and estate improvements	0
1,147	Leisure and play facilities	910
626	Environmental improvements	1,400
0	Land acquisition	328
218	Improvements to offices, depots, and other premises	210
149	Waste collection and recycling	208

The Council has entered into contracts to deliver the following capital investment on its assets over the next three years:

		2008/09 £'000	2009/10 £'000	2010/11 £'000	Total £'000
Leisure facilities	Improvements to leisure centres and golf course	777	237	244	1,258
Astley Park and Hall	Heritage Lottery funded improvement scheme that started 2004/05	1,568	0	0	1,568
Other Council premises	Planned enhancements	330	200	200	730
		2,675	437	444	3,556

notes to the core financial statements

Capital Expenditure and Financing

The capital expenditure for the year was financed as follows:

		2006/07 £'000	2007/08 £'000
<u>Capital Expenditure</u>			
Intangible Assets	(a)	296	212
Fixed Assets		4,172	3,139
Deferred Charges	(b)	8,801	3,124
		13,269	6,475
<u>Sources of Finance</u>			
Long-term borrowing		1,217	0
Capital receipts		3,643	2,821
Capital grants and contributions		6,841	3,517
Revenue (including Major Repairs Allowance)		1,568	137
		13,269	6,475

a) See Note 18 below.

b) See Note 19 below.

16. TANGIBLE FIXED ASSETS ANALYSIS

The analysis of the Council's principal tangible fixed assets is:

	31 March 2007		31 March 2008	
	number	area	number	area
Hostel	1		1	
Town Hall (including Lancastrian Room)	1		1	
Other administrative buildings	3		1	
Depots and workshops	2		1	
Off-street car parks (charged weekdays)	12	(1,273 spaces)	12	(1,396 spaces)
Leisure centres and pools	4	**	4	**
Museum	1		1	
Allotments	104	(8 acres)	105	(8 acres)
Parks and recreation grounds		(357 acres)		(360 acres)
Amenity open spaces		(454 acres)		(454 acres)
Markets	2		2	
Cemeteries	2		2	
Community Centres	5		5	
Golf Course	1		1	
Public conveniences	5		5	

** The Council operates four leisure centres and pools, one of which is leased and is not included within the balance sheet value of fixed assets.

notes to the core financial statements

17. FIXED ASSET VALUATION

The following statement shows the progress of the Council's rolling programme for the revaluation of fixed assets. The valuations are carried out by Liberata UK Limited, in accordance with the Statements of Asset Valuation Practice and Guidance Notes of The Royal Institution of Chartered Surveyors.

	Council Dwellings £'000	Other Land and Buildings £'000	Vehicles, Plant, etc £'000	Infrastructure £'000	Community Assets £'000	Non-Operational Assets £000	Total £'000
Valued at historic cost	0	34	3,172	151	1,560	0	4,917
Valued at current value:							
Current year	0	14,210	0	0	0	1,676	15,886
2006/07	0	1,347	0	0	0	112	1,459
2005/06	0	8,949	0	0	1,224	2,182	12,355
2004/05	0	1,774	0	0	0	0	1,774
2003/04	0	1,122	0	0	0	0	1,122
Total	0	27,436	3,172	151	2,784	3,970	37,513

Depreciation of fixed assets is calculated by the straight-line method, using estimates of the remaining useful lives of the assets provided by the Council's property services contractor, Liberata UK Limited. The total depreciation charge fell from £2.311m in 2006/07 to £0.914m in 2007/08 as a result of the disposal of the housing stock.

The estimated useful lives used in the calculation of depreciation are in the following ranges:

Traditionally built buildings	15 to 80 years
Portable office facilities	10 to 15 years
Vehicles	10 years
IT and other equipment	5 years

Revaluation gains are also subject to an adjustment for depreciation (see Accounting Policy 3).

The cumulative amount of provisions for depreciation is as follows:

	Balance as at 31 March 2007 £'000	Depreciation for the Year £'000	Revaluations and Appropriations £'000	Disposals in the year £'000	Balance as at 31 March 2008 £'000
Council Dwellings	35	0	(35)	0	0
Other land and buildings	1,450	499	(566)	(50)	1,333
Vehicles, Plant, Furniture and Equipment	1,221	401	0	0	1,622
Infrastructure	0	0	0	0	0
Community assets	144	14	0	0	158
Non-operational assets	0	0	32	(32)	0
Total Depreciation	2,850	914	(569)	(82)	3,113

notes to the core financial statements

18. INTANGIBLE ASSETS

	Computer software licences £'000	Licences, trademarks etc. £'000	Patents £'000	Total £'000
Valuation at 31 March 2007	1,743	0	0	1,743
Accumulated amortisation and impairment to 31 March 2007	(1,183)	0	0	(1,183)
Net book value at 31 March 2007	560	0	0	560
Additions/expenditure in year	212	0	0	212
Disposals	0	0	0	0
Impairment losses	0	0	0	0
Amortisation in year	(234)	0	0	(234)
Net book value at 31 March 2008	538	0	0	538
Accumulated amortisation and impairment to 31 March 2008	(1,417)	0	0	(1,417)

Amortisation of computer software licences is calculated by the straight-line method, using estimated useful lives in the range three to five years.

19. DEFERRED CHARGES

2006/07 £'000		2007/08 £'000	
0	Balance as at 1 April		0
	Capital expenditure in year		
603	- Improvement Grants and other housing capital expenditure	563	
7,550	- Other capital expenditure	1,496	
648	- Capitalised revenue expenditure	1,065	
8,801			3,124
(8,801)	Written off in year to Income and Expenditure Account		(3,124)
0	Balance as at 31 March		0

20. NET ASSETS EMPLOYED

The net assets employed by the General Fund and Housing Revenue Account are as follows:

	Restated Net Assets as at 31 March 2007 £'000	Net Assets as at 31 March 2008 £'000
General Fund	7,238	3,232
Housing Revenue Account	2,809	0
	10,047	3,232

notes to the core financial statements

21. FINANCE AND OPERATING LEASES – DISCLOSURE BY LESSEES

Lease rental payments (the Council as lessee)

The Council uses cars, plant and vehicles, computer equipment and software, and other office equipment under the terms of operating leases. The payments for the use of these assets are included in the net cost of services.

Payments 2006/07 £'000		Payments 2007/08 £'000
59	Land and other buildings	59
594	Other operating leases	460
653	Total rental payments	519

The Council was committed at 31 March 2008 to making payments of £1.371m under operating leases, comprising the following elements:

	Other land & Buildings £'000	Vehicles, Plant & Equipment £'000	Total £'000
Leases expiring in 2008/09	59	105	164
Leases expiring between 2009/10 and 2012/13	127	630	757
Leases expiring after 2013/14	450	0	450
Total rental payments	636	735	1,371

Premises and other vehicles and equipment financed under the terms of operating leases are not the property of the Council and are not included in the Balance Sheet.

22. FINANCE AND OPERATING LEASES – DISCLOSURE BY LESSORS

Lease rental income (the Council as lessor)

The Council has a number of premises that it makes available on an operating lease basis, for lease terms substantially less than the expected lives of the assets. Rental income receivable during the year was as follows:

2006/07 £'000		2007/08 £'000
61	Industrial premises	58
215	Offices and other premises	207
276	Total rental income	265

A number of properties are held by the Council for use in operating leases, i.e. where the Council is the lessor. The gross value at 31 March 2008 was £2.033m (Restated 2006/07 £1.976m) and the accumulated depreciation was £0.192m (Restated 2006/07 £0.150m). The properties are included within the total for Other Land and Buildings in the Balance Sheet.

notes to the core financial statements

23. LONG TERM INVESTMENTS

Long-term investments at 31 March are as follows:

	31 March 2007 £'000	31 March 2008 £'000	
Association of District Councils (Properties) Ltd Stock 2011	50	50	Cost
4% Manchester Corporation Stock	8	8	Market value
	58	58	

The Association of District Councils (Properties) Limited debenture stock does not generate interest but does provide the Council with additional benefits of membership (of successor body, the Local Government Association). The Council will be entitled to its pro rata share in the appreciation in value of the property (which the debenture was used to purchase) on redemption of the debenture stock in 2011.

The Manchester Corporation (now Manchester City Council) 4% irredeemable loan stock entitles the Council to bi-annual interest of 4% (£227) on the principal sum invested of £11,350. The stock is shown at market value.

24. LONG TERM DEBTORS

The analysis of outstanding long term debtors is:

		Restated Balance at 1 April 2007 £'000	Advances/ Additions £'000	Repayments/ Reductions £'000	Balance at 31 March 2008 £'000
Mortgages (sale of Council houses)	(a)	26	0	(4)	22
Decriminalised parking	(b)	182	16	0	198
Housing Act Advances		7	0	(2)	5
Car Loans		19	0	(10)	9
Other Advances		14	0	(1)	13
Total Long Term Debtors		248	16	(17)	247

(a) The Long Term Mortgage debtor is matched by a Deferred Capital Receipt.

(b) This is the accumulated deficit on parking enforcement, due from the County.

25. VALUATION OF STOCKS

Included in the total value of stocks and work in progress at 31 March 2008 is an amount of £45,298, representing stocks valued at the estimated current replacement cost (2006/07 £45,494). The remaining value of stocks totalling £22,162 is shown at cost price (2006/07 £41,726). The requirement of the SSAP9 is that the value of stocks should be the lower of cost and net realisable value.

notes to the core financial statements

26. REVENUE AND CAPITAL ACCRUALS

	Creditors		Debtors	
	31 March 2007 £'000	31 March 2008 £'000	Restated 31 March 2007 £'000	31 March 2008 £'000
Analysis of Creditors and Debtors				
Government departments	633	1,098	1,155	1,124
Other local authorities	161	134	182	297
Sundry creditors/debtors	6,629	3,231	3,721	4,961
Rate and Taxpayers	1,344	1,147	1,795	1,571
Payments in advance	0	0	460	500
Receipts in advance	508	776	0	0
	9,275	6,386	7,313	8,453
<u>Less provision for impairment</u>			(742)	(659)
	9,275	6,386	6,571	7,794

All these assets and liabilities are carried at cost. See Note 46 to the Core Financial Statements for an analysis of the credit risk.

Trade and other payables are non interest bearing and are normally settled on 30 day terms. Therefore the carrying value of trade and other payables approximates to their fair value. The one exception was a provision at 31 March 2007 of £2.5m (inclusive of interest) in respect of the Gillibrand link road and housing development land assembly. This approximated to fair value.

27. BORROWING REPAYABLE WITHIN A PERIOD IN EXCESS OF 12 MONTHS

	Total outstanding 31 March	
	2007 £'000	2008 £'000
Analysis of Loans by Source:		
Public Works Loan Board	0	4,633
Temporary Loans	0	0
Total Outstanding	0	4,633
Analysis of loans by maturity:		
Between 1 and 2 years	0	2,366
Between 2 and 5 years	0	2,267
Between 5 and 10 years	0	0
Long Term Borrowing	0	4,633
Total Outstanding	0	4,633

28. PROVISIONS

There were no provisions as at 31 March 2008 (2006/07 nil).

notes to the core financial statements

29. DEFERRED LIABILITIES

	Balance at 1 April 2007 £'000	Additions £'000	Reductions £'000	Balance at 31 March 2008 £'000
Private Street Works	12	0	0	12
Total Deferred Liabilities	12	0	0	12

30. DEFERRED GOVERNMENT GRANTS AND CONTRIBUTIONS

The balance on this account represents the value of capital grants and contributions that have been applied to finance the acquisition or enhancement of fixed assets. The balance is released to revenue accounts over the life of the asset taking into account depreciation.

2006/07 £'000		2007/08 £'000
1,399	Balance at 1 April	1,435
251	Add; grants and contributions applied in year	1,339
(215)	Less: Transfer to Reconciling Items for the Statement of Movement on the General Fund Balance (a)	(523)
	Transfer to the Housing Revenue Account	(22)
1,435	Balance at 31 March	2,229

(a) See Note 14 to the Core Financial Statements

31. UNAPPLIED GRANTS AND CONTRIBUTIONS

This consists largely of Section 106 receipts (i.e. monies paid to the Council by developers as a result of the grant of planning permission where works are required to be carried out or new facilities provided as a result of that permission). The sums are restricted to being spent by the Council only in accordance with the agreements concluded with the developers. The section 106 receipts held by the Council are analysed in the following table.

	Balance at 31 March 2007 £'000	Income £'000	Expenditure £'000	Balance at 31 March 2008 £'000
Section 106 Receipts				
Affordable Housing	224	623	(11)	836
Transport Infrastructure	242	4,330	(675)	3,897
Recreational Facilities	184	418	(87)	515
Environmental Improvements	5	0	0	5
Various Purposes	2,174	30	(1,026)	1,178
School Provision	0	849	0	849
	2,829	6,250	(1,799)	7,280

Additional section 106 monies were received for the maintenance of facilities provided by developers, such as public open space, play areas and community centres. These contributions are treated as "receipts in advance" within creditors (Note 26 above) and are released to revenue to fund the maintenance expenditure over a number of years.

notes to the core financial statements

32. RESERVES

The Council keeps a number of reserves in the Balance Sheet. Some are required to be held for statutory reasons, some are needed to comply with proper accounting practice, and others have been set up voluntarily to earmark resources for future spending plans.

Reserve	Purpose of Reserve	Balance at 31 March 2007 £'000	Net Movement in year £'000	Balance at 31 March 2008 £'000	Further Detail of Movements
Fixed Asset Restatement Account	Store of gains on revaluation of fixed assets	39,267	(39,267)	0	(a) below
Revaluation Reserve	Store of gains on revaluation of fixed assets not yet realised through sales	0	1,316	1,316	(b) below
Capital Financing Account	Store of capital resources set aside to meet past expenditure	(15,732)	15,732	0	(c) below
Capital Adjustment Account	Store of capital resources set aside to meet past expenditure	0	26,326	26,326	(d) below
Capital Receipts Reserve	Proceeds of fixed asset sales available to meet future capital investment	1,419	(349)	1,070	(e) below
Deferred Capital Receipts	The agreed capital income still to be received relating to the disposal of fixed assets	26	(4)	22	Note 24 to the Core Financial Statements
Pensions Reserve	Balancing account to allow inclusion of Pensions Liability in the Balance Sheet	(17,724)	(9,610)	(27,334)	Notes 38 and 39 to Core Financial Statements
General Fund	Resources available to meet future running costs for non-housing services	1,654	1,338	2,992	(f) below
Housing Revenue Account	Resources available to meet future running costs for Council houses	966	(966)	0	(g) below and HRA Statement
Earmarked reserves		171	(485)	(314)	(h) below
Total		10,047	(5,969)	4,078	

notes to the core financial statements

(a) Fixed Asset Restatement Account

2006/07		2007/08
£'000		£'000
53,938	Balance as at 1 April	39,267
(10,018)	Revaluation of fixed assets in year	
(4,653)	Disposal of fixed assets in year	
	Transfer to Capital Adjustment Account	(39,267)
39,267	Balance at 31 March	0

The balance on the Fixed Asset Restatement Account represented the total of all property revaluations since 1994, both positive and negative, less the value of assets disposed of. Following the creation of the Revaluation Reserve on 1 April 2007, the balance on the Fixed Asset Restatement Account was written off against the Capital Adjustment Account.

(b) Revaluation Reserve

This reserve replaces the Fixed Asset Restatement Account (FARA). The movements on the reserve are as follows:

	2007/08
	£'000
Balance as at 1 April 2007	0
Revaluation of fixed assets in year	1,415
Revaluation written off following disposal of asset	(99)
Balance at 31 March 2008	1,316

(c) Capital Financing Account

2006/07		2007/08
£'000		£'000
32,871	Balance at 1 April	(15,732)
3,643	Capital Financing - Capital receipts	
1,568	- Revenue	
(60,728)	Minimum Revenue Provision (less depreciation provision and impairment)	
8,594	Application of Overhanging Debt Grant following LSVT	
321	Repayment of Debt	
	<u>Less:</u>	
(8,801)	Write down of deferred charges	
(4)	Write down of deferred debtors	
6,804	Write down of deferred liabilities	
	Transfer to Capital Adjustment account	15,732
(15,732)	Balance at 31 March	0

The Capital Financing Account has been replaced by the Capital Adjustment Account.

notes to the core financial statements

(d) Capital Adjustment Account

This account replaces the former Capital Financing Account.

	£'000	£'000
Balance as at 1 April 2007		0
Transfer from Fixed Asset Restatement Account at 1 April 2007	39,267	
Transfer from Capital Adjustment Account at 1 April 2007	(15,732)	
		23,535
Correction of valuation errors at 31 March 2007	3,355	
Write off book value of assets disposed of, net of revaluation reserve	(1,162)	
Reversal of depreciation and amortisation charges, net of deferred grants	(2,358)	
Revenue and capital receipts used to finance capital	2,958	
Minimum provision for debt repayment, net of commutation adjustment	0	
Other	(2)	
		2,791
Balance at 31 March 2008		26,326

This account is required because there is a difference between the requirements of accounting practice for the amortisation of fixed assets (e.g. depreciation and charges following derecognition), and the rate at which capital charges should be made according to statute. The balance therefore represents the effect of this timing difference.

After closure and audit of the 2006/07 accounts a significant understatement of the value of the All Seasons Leisure Centre, and other minor valuation errors, were identified. These have been corrected in this account, as successor to the Fixed Asset Restatement Account.

(e) Capital Receipts Reserve

2006/07		2007/08	
£'000		£'000	£'000
1,138	Capital Receipts as at 1 April		1,419
1,761	Capital receipts transferred from Creditors	0	
106	Adjustment to previous year's pooled housing capital receipts	0	
3,221	Capital receipts during year from sale of assets	1,336	
(1,180)	Less pooled housing capital receipts	(11)	
2,225	Capital receipt from Large Scale Voluntary Transfer (LSVT) of Council dwellings	0	
16	Other capital receipts	1,147	
7,287			2,472
(3,643)	<u>Less:</u> Capital receipts applied in capital financing during year		(2,821)
(2,173)	LSVT capital receipt applied in financing disposal costs and new landlord's set up costs		0
(52)	Capital receipts applied in repayment of borrowing		0
1,419	Balance at 31 March		1,070

notes to the core financial statements

(f) General Fund

	Balance at 31 March 2007 £'000	Gain or losses in year £'000	Transfers between reserves £'000	Balance at 31 March 2008 £'000
General reserves	769	321	796	1,886
Earmarked reserves				
- future revenue expenditure	824	119	100	1,043
- new developments	61	2	0	63
Total Earmarked reserves	885	121	100	1,106
Total General Fund Reserves	1,654	442	896	2,992

(g) Housing Revenue Account

	Balance at 31 March 2007 £'000	Gain or losses in year £'000	Transfers between reserves £'000	Balance at 31 March 2008 £'000
General reserves	966	(70)	(896)	0
Total HRA Reserves	966	(70)	(896)	0

(h) Other Reserves

	Balance at 31 March 2007 £'000	Gain or losses in year £'000	Transfers between reserves £'000	Balance at 31 March 2008 £'000
Collection Fund	171	(485)	0	(314)
Total Other Reserves	171	(485)	0	(314)

33. FINANCIAL INSTRUMENTS – BORROWINGS AND INVESTMENTS

The borrowings and investments disclosed in the balance sheet are made up of the following categories of financial instrument

	Long-Term		Current	
	31 March 2007 £'000	31 March 2008 £'000	31 March 2007 £'000	31 March 2008 £'000
Financial liabilities at amortised cost	0	4,633	0	2,367
Financial liabilities at fair value through profit & loss	0	0	0	0
Total borrowings	0	4,633	0	2,367
Loans and receivables	50	50	3,526	10,363
Available - for – sale financial assets	8	8	0	0
Unquoted equity investment at cost	0	0	0	0
Total investments	58	58	3,526	10,363

There has been no reclassification of assets and no pledges of collateral have been made.

notes to the core financial statements

34. COMPARISON OF CARRYING AMOUNT AND FAIR VALUE

The carrying amounts and the fair values of financial assets and liabilities are as follows:

	Carrying amounts		Fair values	
	2007	2008	2007	2008
	£'000	£'000	£'000	£'000
Loans and receivables (a)	50	50	40	42
Available – for – sale financial assets (b)	8	8	8	8

(a) The fair value has been calculated using an assumed discount rate of 6%.

(b) The fair value has been determined by reference to published price quotations.

(c) Investments repayable within one year, short and long term borrowing, and trade receivables and payables, are not included since their carrying amounts approximate to their fair values.

35. FINANCIAL INSTRUMENTS – AMOUNTS CHARGED TO THE INCOME & EXPENDITURE ACCOUNT AND STATEMENT OF TOTAL RECOGNISED GAINS AND LOSSES

	Financial Liabilities		Financial Assets			
	Measured at amortised cost		Loans & receivables		Available for sale assets	
	2006/07	2007/08	2006/07	2007/08	2006/07	2007/08
	£'000	£'000	£'000	£'000	£'000	£'000
Interest expenses	(119)	(7)	0	0	0	0
Impairment losses	0	0	196	(49)	0	0
Interest income	0	0	16	528	0	0
Gain/(loss) on revaluation	0	0	0	0	1	0
	(119)	(7)	212	479	1	0

The total gain in 2007/08 is £0.472m (gain in 2006/07 was £0.94m).

36. CONTINGENT ASSETS AND CONTINGENT LIABILITIES

Contingent Asset

The Council has claimed an amount of £636,000 from HM Revenue and Customs in relation to Value Added Tax charged on car parking in previous financial years. Recent case law indicates that this money should have been retained rather than being paid to Customs. However the ruling is subject to a judicial review, which will determine the validity of the claim. Additionally, since the discovery of this potential overpayment the Council has been withholding VAT in relation to car park income pending the outcome of the judicial review. A creditor of £301,250 is therefore included in the balance sheet which may not be settled if the review's ruling was found to be in favour of the Council. A resolution to the case is expected sometime during the 2008/09 financial year.

Under the terms of the Voluntary Stock Transfer Agreement dated 26th March 2007, the Council is entitled to receive a further sum, estimated at £3.4m, from Chorley Community Housing. This sum will only be payable if the Association are successful in reclaiming VAT on the qualifying works (i.e. those works it intends to do the houses transferred over a period of roughly ten years). There is no reason at the moment to believe that the works will not be done, nor that the VAT reclaim will be contested by HMRC.

The Council is also entitled to a share of the proceeds from the sale of dwellings transferred to the Association. This agreement has a further fourteen years to run. The amount will depend upon the numbers sold and cannot be predicted.

notes to the core financial statements

Contingent Liabilities

During 1992/93 Municipal Mutual Insurance Limited (MMI), the insurer to Chorley Borough Council and many other local authorities, experienced trading difficulties. The company's creditors agreed a "Scheme of Arrangement", which allowed MMI to work towards a solvent run-off until all outstanding claims were settled. If the company becomes insolvent, there is a "claw back" arrangement whereby the creditors may be required to repay a proportion of the claims paid. The creditors committee of MMI envisages that there will be a solvent run-off and therefore no "claw back" claims will be made against the Council.

The Council gave warranties to Chorley Community Housing Limited against certain environmental risks. The Council's liability is restricted to a maximum loss of £18m arising over a period of 18 years. It has paid a single premium to insure against claims of up to £15m for a period of 10 years, and is covering the remaining 8 years by payment of an additional annual premium.

37. TRUST FUNDS

The Council acts as sole or custodian trustee for five funds and the Mayor of Chorley's fundraising activities. The funds have arisen from legacies given by inhabitants of the Borough and the proceeds of the sale of the Former Free Library.

	Balance at 1 April 2007	Revaluation of Investments	Income	Expenditure	Balance at 31 March 2008
	£'000	£'000	£'000	£'000	£'000
HT Parke's Baths Fund <i>(Maintenance of Brinscall Baths)</i>	2	0	0	0	2
William Cocker Charity <i>(Provision of recreation grounds in Chorley)</i>	3	0	0	0	3
WB Park's Charity <i>(Extension of Infectious Diseases Hospital, Withnell)</i>	2	0	0	0	2
Proceeds of Sale of Former Free Library <i>(General benefit of Chorley Borough residents)</i>	97	0	4	(5)	96
Edward McKnight Memorial Fund <i>(Educational lectures in memory of E McKnight)</i>	5	0	0	0	5
Mayor of Chorley's Charity Accounts <i>(Fundraising for various charitable purposes)</i>	0	0	0	0	0
Total Trust Funds	109	0	4	(5)	108

The total value of these funds at 31 March 2008 was £107,834 (31 March 2007 £108,980), of which £88,164 was invested in external listed securities (31 March 2007 £93,481). The funds are not assets of the Council so the external investments are not included in the Balance Sheet.

38. RETIREMENT BENEFITS

Participation in the Scheme

As part of the terms and conditions of employment of its officers and other employees, the Authority offers retirement benefits. Although these benefits will not actually be payable until employees retire, the Authority has a commitment to make the payments that need to be disclosed at the time that employees earn their future entitlement.

The Local Government Pension Scheme for civilian employees, administered by Lancashire County Council, is a funded scheme, meaning that the authority and employees pay contributions into a fund, calculated at a level intended to balance the pension liabilities with investment assets.

notes to the core financial statements

Transactions Relating to Retirement Benefits

This Council recognises the cost of retirement benefits in the Net Cost of Services when they are earned by employees, rather than when the benefits are eventually paid as pensions. However, the charge required to be made against Council tax is based on the cash payable in the year, so the real cost of retirement benefits is reversed out of the Income and Expenditure Account after Net Operating Expenditure. The following transactions have been made in the Income and Expenditure Account and Statement of Movement in General Fund Balance during the year:

Local Government Pension Scheme

Income and Expenditure Account	2006/07 £'000	2007/08 £'000
Net cost of services:		
Current service cost	(1,919)	(1,158)
Past service costs	1,000	(915)
Net operating expenditure:		
Interest cost	(4,017)	(4,039)
Expected return on assets in the scheme	3,646	3,765
Net charge to the Income & Expenditure Account	(1,290)	(2,347)

Statement of Movement in General Fund Balance

Reversal of net charges made for retirement benefits in accordance with FRS 17	1,290	2,347
Actual amount charged against General Fund balance for pensions in the year:		
Employers' contribution payable to scheme	(1,417)	(1,138)

Note 39 contains details of the assumptions made in estimating the figures included in this note.

39. PENSIONS

Note 38 to the Core Financial Statements contains details of the Authority's participation in the Local Government Pensions Scheme administered by Lancashire County Council.

	Local Government Pension Scheme	
	2006/07 £'000	2007/08 £'000
Estimated liabilities in scheme	(75,587)	(80,435)
Estimated assets in scheme	57,863	53,101
Net asset/(liability)	(17,724)	(27,334)

The liabilities show the underlying commitments that the Authority has in the long run to pay retirement benefits. The total liability has a substantial impact on the net worth of the Authority as recorded in the balance sheet.

The deficit on the Local Government Scheme can be made good by increased contribution over the remaining working life of employees, as assessed by the scheme actuary.

notes to the core financial statements

Basis for Estimating Assets and Liabilities

Liabilities have been assessed on an actuarial basis using the projected unit method, an estimate of the pensions that will be payable in future years dependent on assumptions about mortality rates, salary levels, etc. The County Council Fund liabilities have been assessed by Mercers, an independent firm of actuaries, estimates for the County Council Fund being based on the latest full valuation of the scheme as at 31 March 2007.

The main assumptions used in their calculations have been:

	Local Government Pension Scheme	
	2006/07	2007/08
	%	%
Rate of inflation	3.10	3.60
Rate of increase in salaries	4.85	5.35
Rate of increase in pensions	3.10	3.60
Rate for discounting scheme liabilities	5.40	6.10

Assets in the County Council Pension Fund are valued at fair value, principally market value for investments, and consist of the following categories, by proportion of the total assets held by the Fund:

	Proportion of total assets 2006/07	Expected rate of return on assets	Proportion of total assets 2007/08	Expected rate of return on assets
	%	%	%	%
Equity Investments	64.3	7.50	62.2	7.50
Government Bonds	8.4	4.70	7.1	4.60
Other Bonds	12.5	5.40	15.0	6.10
Property	7.0	6.50	6.0	6.50
Cash/Liquidity	4.5	5.25	3.3	5.25
Other Assets	3.3	7.50	6.4	7.50
	<u>100.0</u>		<u>100.0</u>	

Prepaid or Accrued Pensions Contributions

An amount of £135,081 is included in the creditors section of the balance sheet which represents accrued pensions contributions as at 31 March 2008. These were paid to Lancashire County Pension Fund in April 2008.

notes to the core financial statements

Actuarial Gains and Losses

The actuarial gains identified as movements on the Pensions Reserve in 2007/08 can be analysed into the following categories, measured as absolute amounts and as a percentage of assets or liabilities at 31 March 2008:

	2003/04		2004/05		2005/06		2006/07		2007/08	
	£	%	£	%	£	%	£	%	£	%
Differences between the expected and actual return on assets	5,643	13	2,249	4.7	8,214	13.7	(429)	0.7	(4,613)	8.7
Difference between actuarial assumptions about liabilities and actual experience	0	0	(3,517)	5	(1,445)	1.8	0	0	303	0.4
Changes in the demographic and financial assumptions used to estimate liabilities	0	0	(11,905)	16.9	(6,593)	8	4,229	5.6	(4,590)	5.7
Net Gain/(Loss)	5,643		(13,173)		176		3,800		(8,900)	

notes to the core financial statements

40. RECONCILIATION OF SURPLUS OR DEFICIT TO NET CASH FLOW FROM OPERATING ACTIVITIES

8,801	Deferred charges	3,124	
(2,247)	Gains or losses on the disposal of fixed assets	(1,219)	
<u>6,229</u>			<u>1,387</u>
<u>1,724</u>	Net cash inflow/(outflow) from operating activities		<u>(991)</u>

The Cash Flow Statement for the year ended 31 March 2008 has been prepared using the Chartered Institute of Public Finance and Accountancy's 'Cash Flow Toolkit', which uses a different methodology than previously employed. As a result, the comparative figures for 2006/07, including those disclosed in notes 40 to 44, may differ from those published in the Financial Statement 2006/07. However, the Net Increase in Cash for 2006/07 remains unchanged.

notes to the core financial statements

41. ANALYSIS OF NET DEBT (RECONCILIATION OF NET DEBT TO RELATED ITEMS IN THE BALANCE SHEET)

	Cash £'000	Temp. Invest. & Short Term Deposits £'000	Total £'000	Loans Due Within One Year £'000	Loans Due After More Than One Year £'000	Deferred Liabilities £'000	Net Debt £'000
Balance At 1 April 2007	851	3,526	4,377	0	0	(12)	4,365
Cashflow/Changes In Year	(277)	6,837	6,560	(2,367)	(4,633)	0	(440)
Other Non-Cash Changes	0	0	0	0	0	0	0
Balance At 31 March 2008	574	10,363	10,937	(2,367)	(4,633)	(12)	3,925

42. RECONCILIATION OF CHANGES IN CASH TO MOVEMENT IN NET DEBT

2006/07 £'000		2007/08 £'000
94	Increase/(decrease) in cash in year	(277)
1,852	Cash outflow from management of liquid resources	6,837
	Cash inflow from:	
0	New loans raised	(7,000)
	Cash outflow from:	
7,500	Loans repaid	0
9,446		(440)
136	Other noncash changes	0
(5,217)	Net debt brought forward	4,365
4,365	Net debt carried forward	3,925

43. ANALYSIS OF CHANGES IN CASH AND LIQUID RESOURCES IN THE YEAR

	Balance at 01/04/07 £'000	Balance at 31/03/08 £'000	Movement in the year £'000
Short term investments	3,526	10,363	6,837
Short term loans	0	0	0
Cash bank	852	575	(277)
Increase/(decrease) in year	4,378	10,938	6,560

Included in the management of liquid resources section of the Cash Flow Statement is the net movement on current asset investments that are managed in accordance with the Council's Treasury Management Policy.

notes to the core financial statements

44. ANALYSIS OF GOVERNMENT GRANTS

i) The categories of government grants shown in the Cash Flow Statement are:

Restated 2006/07 £'000		2007/08 £'000
1,124	Capital activities	1,598
27,855	Revenue activities	28,931
0	European grants	0
28,979	Total government grants	30,529

ii) Analysis of revenue government grants

2006/07 £'000		2007/08 £'000
19,672	Community service	20,181
3	Environmental health	52
0	Sports development	60
45	Waste management	42
6,445	NNDR receipt from pool	6,857
1,298	Revenue Support Grant	1,151
392	Other government grants	588
27,855	Total revenue government grants received	28,931

45. FURTHER ANALYSIS TO ASSIST WITH THE INTERPRETATION OF THE CASH FLOW STATEMENT

There have been material changes in the operational cash flows of the Council between the financial years 2006/07 and 2007/08. The most significant changes are highlighted below.

	2006/07 £'000	2007/08 £'000	Change £'000
Revenue Activities			
Cash Outflows			
Cash paid to and on behalf of employees	(12,669)	(9,902)	2,767
Other operating cash payments	(18,577)	(13,867)	4,710
Housing benefit paid out	(9,596)	(14,573)	(4,977)
Payments to the Capital Receipts Pool	(1,117)	(11)	1,106
Net Reduction in Cash Outflows			3,606
Cash Inflows			
Rents (after rebates)	3,495	0	(3,495)
Cash received for goods and services	8,624	4,734	(3,890)
Net Reduction in Cash Inflows			(7,385)

These changes are mainly due to the transfer of the Council's housing stock to Chorley Community Housing on 26 March 2007 which resulted in fewer costs being borne by the Council (e.g. employee costs and expenditure on supplies and services) and fewer revenues being collected (e.g. rents) during 2007/08.

notes to the core financial statements

46. NATURE AND EXTENT OF RISKS ARISING FROM FINANCIAL INSTRUMENTS

The authority's activities potentially expose it to a variety of financial risks

Credit risk

This is the risk that other parties might fail to pay amounts due to the Council. It exists in relation to debtors, and investments made as a result of the Council's treasury operations.

To minimise treasury risk the Council each year considers a Treasury Management Strategy, in which acceptable credit ratings are determined for counter-parties, and limits on deal sizes are set. As an indicator of exposure the maximum invested at any one time during 2007/08 was £13.5m, the average invested at any one time was £8.8m and the longest term of investment was £2m for 3 months. The Council has no record of default on such deposits.

The more likely risk of default exists in respect of debtors. As per note 26 these total £8.453m of which £0.5m is payments in advance and £1.571m is due for rates and local taxes. The remainder consists of:

	Total	Debts raised in 2007/08	Debts raised in earlier years
	£'000	£'000	£'000
Government and Local Authorities	1,421	1,421	0
Developers contributions	1,463	1,463	0
Housing associations and banks	1,486	1,486	0
Housing benefit overpayments	838	174	664
Sundry debtors	1,174	991	183
	6,382	5,535	847

There is reckoned to be little risk of default in respect of the amounts owed by Government, Local Authorities, Housing Associations or banks.

The developers contributions are held in the Balance Sheet in the Unapplied Grants and Contributions Account and will be used, in the main, to fund capital expenditure. There is a credit risk attached to this debtor, but if a loss occurred it would affect the capital programme instead of the Income and Expenditure account. No impairment provision has been made.

A credit risk also applies to both housing benefit debtors and sundry debtors, and an appropriate impairment provision, based on scrutiny of individual debtors, and past recovery rates, has been made.

Liquidity risk

This is the risk that the Authority might not have liquid funds available to make payments when due. As the authority has ready access to borrowings from the Public Works Loans Board there is no significant risk that it will be unable to meet its commitments under financial instruments. There is however the risk that it might have to borrow at disadvantageous times. This risk is mitigated by the flexibility to borrow for any period and at fixed or variable rates.

Market Risk

This consists of:

- **Interest Rate risk**

The Council's borrowings at 31 March 2008 totalled £7m. This is at fixed rates of interest for periods of up to five years. The Council is therefore protected against increases in interest rates, but will not be able to take advantage of falling rates.

The short duration of its investments means that it is vulnerable to falling interest rates, but will be able to take advantage if rates increase. A 1% change in rates will result in a change in investment income of £88,000.

notes to the core financial statements

- **Price risk**

The Council's exposure to this risk is minimal, since it only holds one small investment (£8k) which is Available for Sale, and subject to annual revaluation to fair value.

47. NON ADJUSTING EVENTS AFTER THE BALANCE SHEET DATE

A ten year contract commencing in April 2009 has been awarded to Veolia Environmental Services (UK) Limited for the collection of refuse and recyclable waste from the authority's residents. The actual level of payments will depend upon the volumes collected and the contractor's performance in providing the service. The estimated total cost of the contract over the ten years is £28.75million.

48. DATE OF AUTHORISATION FOR ISSUE

The Statement of Accounts includes any necessary disclosures in respect of events after the balance sheet date up to the date indicated below:

Gary Hall BA CPFA
ASSISTANT CHIEF EXECUTIVE
(BUSINESS TRANSFORMATION AND IMPROVEMENT)

Date:

49,154	(Surplus) or deficit for the year on HRA services		54	

housing revenue account

THE STATEMENT OF MOVEMENT ON THE HOUSING REVENUE ACCOUNT BALANCE

The detailed HRA Income and Expenditure Account reflects the accounting requirements of the SORP. In some instances these requirements conflict with statute and non-statutory proper practice. This conflict is resolved by further adjustments being made to the HRA balance. The following statements summarise, and show in detail, these adjustments.

2006/07 £'000		2007/08 £'000	Note
49,154	(Surplus)/deficit for the year on the Income and Expenditure Account	54	
(49,527)	Net additional amount required by statute and non-statutory proper practices to be debited or credited to the HRA Balance for the year	16	1
<hr/>			
(373)	(INCREASE)/DECREASE IN HRA BALANCE FOR THE YEAR	70	
(593)	Housing Revenue Account surplus brought forward	(966)	
0	Housing Revenue Account surplus transferred to General Fund Balance	896	
<hr/>			
(966)	HOUSING REVENUE ACCOUNT BALANCE CARRIED FORWARD	0	
<hr/>			

notes to the housing revenue account

1. RECONCILING ITEMS FOR THE STATEMENT OF MOVEMENT ON THE HOUSING REVENUE ACCOUNT BALANCE

This statement shows in detail the amounts additional to the surplus or deficit on the Income and Expenditure Account that are required, by statute and non-statutory proper practices, to be debited or credited to the HRA for the year.

2006/07 £'000		2007/08 £'000
	Amounts included in the HRA Income and Expenditure Account but excluded from the Movement on the HRA Balance for the year	
(15)	Difference between amounts charged to Income and Expenditure for amortisation of premiums and discounts and the charge for the year determined in accordance with the statute	0
(58,335)	Difference between any other item of Income and Expenditure determined in accordance with the SORP and determined in accordance with statutory HRA requirements	16
8,593	LSVT Capital Grant Applied	0
(215)	Net charges made for retirement benefits in accordance with FRS 17	0
(49,972)		16
	Amounts not included in the HRA Income and Expenditure Account but included in the Movement on the HRA Balance for the year	
209	Transfer to the Major Repairs Reserve	0
236	Employers contributions payable to the Lancashire Pension Fund and retirement benefits payable direct to pensioners	0
445		0
(49,527)		16

2. VACANT POSSESSION VALUE – PROPERTY

01/04/06 £'000		01/04/07 £'000
150,516	Dwellings	0

3. EXPLANATION OF VACANT POSSESSION VALUE

The vacant possession value of assets represents the stock value of prevailing market rents, adjusted for the fact that there are probably sitting tenants who will also have an option to buy. In other words the valuation assumes a market rent rather than a sub-market rent payable by a Housing Tenant. The difference between the existing social use valuation and the vacant possession value represents the economic cost or opportunity cost to the Government and Council of providing social housing for which they receive less income from rent and sales than they would otherwise have achieved.

4. EXCEPTIONAL ITEMS

Exceptional items are ones that are material in terms of the authority's overall financial position and are not expected to occur frequently or regularly. During 2006/07 the HRA Income and Expenditure Account was credited with £8.769 million Overhanging Debt Grant. This one-off transaction represents the amount of housing-related PWLB debt repaid in March 2007 by the Government on behalf of the Council in relation to the LSVT of its dwellings.

notes to the housing revenue account

5. HRA SUBSIDY FOR THE FINANCIAL YEAR

	2006/07 £'000	2007/08 £'000
Management Allowance	1,153	0
Maintenance Allowance	2,403	0
Major Repairs Allowance	1,729	0
Charges for Capital	513	0
Defective Housing Grant	4	0
Guideline Rent	(7,197)	0
Interest on Receipts	(2)	0
Admissible Allowance	3	0
Rental Constraint Allowance	91	0
Negative subsidy, payable to the DCLG	(1,303)	0
Prior Year Adjustment	29	7
Total (negative)/positive subsidy in the accounts	(1,274)	7

6. BALANCE SHEET VALUE – LAND, HOUSES AND OTHER PROPERTY

31/03/07 £'000		31/03/08 £'000
	Operational Assets	
0	Land	0
0	Houses	0
929	Other Property	0
929		0
	Non-operational Assets	
883	Land	0
0	Houses	0
0	Other Property	0
883		0
1,812	Total Balance Sheet Value of Housing Revenue Account Assets	0

As a 31/03/07 the assets remaining in the HRA consisted of garages, land and a hostel. As a precursor to closing the HRA these assets were transferred to the General Fund as at 1 April 2007.

notes to the housing revenue account

7. MOVEMENTS ON THE MAJOR REPAIRS RESERVE

171	Surplus/(Deficit) carried forward as at 31 March 2008		(314)	

notes to the collection fund

1. GENERAL

These accounts contain the transactions of the Collection Fund. Section 89 of The Local Government Finance Act 1988 (as amended by the Local Government Finance Act 1992) requires the Council to maintain a separate fund for the collection and distribution of amounts due in respect of Council Tax and National Non-Domestic Rates (NNDR). There is no requirement for a separate Collection Fund Balance Sheet. Instead Collection Fund balances are consolidated into the Balance Sheet.

2. INCOME FROM NATIONAL NON-DOMESTIC RATES

The Council collects non-domestic rates from local businesses, which are based on the rateable values of business premises multiplied by an amount specified by Central Government (the non-domestic rating multiplier). The gross amount due from ratepayers, less certain reliefs and other deductions, is paid into a national pool administered by Central Government. The national pool is then used to distribute business rates income back to local authorities as a standard amount per head of local adult population.

2006/2007		2007/2008
43.3p	Non-Domestic Rating Multiplier	44.4p
42.6p	Small Business Non-Domestic Rating Multiplier	44.1p
£54,942,290	Total Rateable Value at 31 March	£53,324,367
2,809	Total Number of Hereditaments at 31 March	2,865

3. COUNCIL TAX BASE

The gross amount of Council Tax payable for a property is based upon a band allocated to it by the Listing Officer, who is an official of the Valuation Office Agency. There are 8 bands, A to H, and each band attracts a different level of Council Tax based on the charge at band D.

The Council set a band D Council Tax of £1,381.29 (2006/07 £1,316.33). This was calculated by dividing the total of the Council's net expenditure to be met from the Council Tax and the precepts of Lancashire County Council, Lancashire Police Authority and Lancashire Combined Fire Authority by the Council Tax base. The Council Tax base is the number of band D equivalent properties in the Council's area. It represents the amount of income that would be raised by a Council Tax levy of £1.00 at band D. The Council Tax base has been calculated as follows:

BAND	RATIO TO BAND D	TOTAL NO OF PROPERTIES	TOTAL EQUIVALENT NO AFTER DISCOUNTS	BAND D EQUIVALENTS
A	6/9	13,936	11,647.50	7,762.9
B	7/9	9,969	8,858.00	6,889.6
C	8/9	8,424	7,703.75	6,847.8
D	1	5,678	5,259.75	5,259.8
E	11/9	4,202	3,966.75	4,848.3
F	13/9	1,675	1,587.50	2,293.1
G	15/9	722	679.75	1,132.9
H	18/9	61	44.50	89.0
		44,667	39,747.50	35,123.4
Less adjustments for anticipated changes to the base and losses on collection				158.4
Band D Equivalent Number of Properties				34,965.0

notes to the collection fund

4. BAND D COUNCIL TAX

The Band D Council Tax set by the Council has been calculated as follows:

2006/07 £		2007/08 £
34,635,115	Lancashire County Council Precept	36,580,379
3,929,402	Lancashire Police Authority Precept	4,403,845
1,900,866	Lancashire Combined Fire Authority Precept	2,008,390
5,269,851	Chorley Borough Council Demand	5,304,135*
<hr/> 45,735,234	TOTAL TO BE MET FROM COUNCIL TAX	<hr/> 48,296,749
34,744.40	Divided by the Council Tax Base	34,965.00
<hr/> 1,316.33	Band D Council Tax	<hr/> 1,381.29

*The Chorley Borough Council demand on the Collection Fund excludes parish precepts of £549,835 (2006/07 £535,399) and excludes special expenses of £693,576 (2006/07 £689,586).

5. DISTRIBUTION OF ESTIMATED COLLECTION FUND SURPLUS

Each January the Council estimates what the Collection Fund balance will be on 31 March. If there is an estimated surplus on 31 March, it has to be shared between the Council and the major precepting authorities during the following financial year. Chorley Borough Council estimated there would be a Collection Fund surplus of £433,610 at 31 March 2007, which was distributed in 2007/08 as follows:

Estimated Surplus for 2005/06 distributed in 2006/07 £		Estimated Surplus for 2006/07 distributed in 2007/08 £
262,813	Lancashire County Council	319,803
29,791	Lancashire Police Authority	36,282
14,409	Lancashire Combined Fire Authority	17,552
48,561	Chorley Borough Council	59,973
<hr/> 355,574		<hr/> 433,610

The estimated Collection Fund surplus for 2007/08 was £0.

ACCOUNTING STANDARDS BOARD (ASB)

The role of the Accounting Standards Board (ASB) is to issue accounting standards. Accounting standards developed by the ASB are contained in 'Financial Reporting Standards' (FRSs). Soon after it started its activities in 1990, the ASB adopted the standards issued by the Accounting Standards Committee (ASC), so that they also fall within the legal definition of accounting standards. These are designated 'Statements of Standard Accounting Practice' (SSAPs). Whilst some of the SSAPs have been superseded by FRSs, some remain in force. Accounting standards apply to all companies, and other kinds of entities that prepare accounts that are intended to provide a true and fair view.

ACCRUALS

The concept that income and expenditure are recognised as they are earned or incurred, not as money is received or paid.

AUDITOR'S OPINION

The opinion required by statute from the Council's external auditors, indicating whether the statement of accounts presents fairly the financial position of the Authority.

ANNUAL GOVERNANCE STATEMENT

See STATEMENT ON INTERNAL CONTROL.

BALANCE SHEET

The combined fund balance sheets of the Council.

BUDGET

A statement of the Council's spending plans for revenue and capital expenditure over a specified period of time.

CAPITAL EXPENDITURE

Spending on the acquisition or enhancement of fixed or intangible assets, either directly by the Council or indirectly in the form of grants to other persons or bodies. The definition of expenditure that may be capitalised is set out in the SORP. Previously the Local Government and Housing Act 1989 contained a similar definition, but this has been replaced in the Local Government Act 2003 by a reference to expenditure which falls to be capitalised under proper practices. As the SORP is identified as a source of proper practice in England and Wales by regulations under section 21 of the Local Government Act 2003 this definition has taken on statutory status, except in cases where the Government issues regulations or makes directions, modifying the items to be classified as capital expenditure for financing purposes.

CAPITAL RECEIPTS

Proceeds from the sale of fixed assets, such as land or buildings, or the repayment of capital grants or advances.

CAPITAL RECEIPTS UNAPPLIED

The proportion of capital receipts received which may be used to finance capital expenditure or to repay debt, but not to finance revenue expenditure.

CHIEF FINANCE OFFICER

In England and Wales the Chief Finance Officer is colloquially known as the 'S151 officer', as the relevant provisions are contained in section 151 of the Local Government Act 1972. Section 151 requires every local authority to 'make

glossary

arrangements for the proper administration of their financial affairs' and give one of their officers responsibility for this. That officer has specific duties under other statutes, including issuing a preventative report if there is, or is likely to be, unlawful expenditure or an unbalanced budget, and reporting to the authority at budget-setting time on the robustness of estimates made and the adequacy of the financial reserves. Under the Prudential Code, the Chief Finance Officer has responsibility for ensuring that the authority is given information on all 'matters required to be taken into account' when making decisions on capital investment. Chorley Borough Council's Chief Finance Officer is the Assistant Chief Executive (Business Transformation).

COLLECTION FUND

The account which shows the transactions of the Council in relation to non-domestic rates and Council Tax, and the distribution of these to preceptors and the General Fund. The Collection Fund is consolidated with the other accounts of the Council.

COMMUNITY ASSETS

Assets that the Council intends to hold in perpetuity, that have no determinable useful life, and that may have restrictions on their disposal. Examples of community assets are parks and historic buildings.

CONTINGENT ASSET

A contingent asset is a possible asset arising from past events whose existence will be confirmed only by the occurrence of one or more uncertain future events not wholly within the local authority's control. Contingent assets are not recognised in the accounting statements, they but are disclosed by way of notes if the inflow of a receipt or economic benefit is probable. Such disclosures indicate the nature of the contingent asset and an estimate of its financial effect.

CONTINGENT LIABILITY

A contingent liability is either:

- (a) a possible obligation arising from past events whose existence will be confirmed only by the occurrence of one or more uncertain future events not wholly within the authority's control, or
- (b) a present obligation arising from past events where it is not probable that a transfer of economic benefits will be required or the amount of the obligation cannot be measured with sufficient reliability.

COST OF MANAGEMENT AND ADMINISTRATION

An allocation to service accounts of the net cost of the administrative and professional departments that support all of the Council's services.

CREDITOR

An amount owed by the Council for goods received, or services rendered to it within the accounting period, but for which payment has not been made.

CURRENT COSTS ACCOUNTING (CCA)

The presentation of the accounts in a form that aims to reflect the consequences of price and value changes.

DEBT REDEMPTION

The repayment of external loans previously raised to finance capital expenditure.

DEBTOR

An amount of income due to the Council within the accounting period but not received at the balance sheet date.

DEFERRED CAPITAL RECEIPTS

Capital receipts to be received by instalments over agreed periods of time.

DEFERRED CHARGES

Expenditure which may properly be deferred, but which does not result in, or remain matched with, tangible assets. An example of a deferred charge is expenditure on items such as improvement grants.

DEPRECIATION

The measure of the wearing out, consumption, or other reduction in the useful economic life of a fixed asset.

FINANCIAL REPORTING STANDARD (FRS) 17

FRS 17, issued by the Accounting Standards Board in November 2000 and amended November 2002, sets out the accounting treatment for retirement benefits such as pensions and medical care during retirement.

FIXED ASSETS

Tangible assets that yield benefits to the Council and the services it provides for a period of more than one year.

GENERAL FUND

The main revenue fund of the Council. Day-to-day spending on services is met from the fund. Spending on the provision of housing, however, must be charged to a separate Housing Revenue Account.

HOUSING REVENUE ACCOUNT (HRA)

An account that includes the expenditure and income arising from the direct provision of housing by the Council.

INFRASTRUCTURE ASSETS

Fixed assets that are inalienable, expenditure on which is recoverable only by continued use of the asset created. Examples of infrastructure assets are highways and footpaths.

INTANGIBLE ASSETS

An intangible item may meet the definition of an asset when access to the future economic benefits that it represents is controlled by the reporting entity, either through custody or legal protection. Purchased intangible assets (e.g. software licences) should be capitalised as assets. Intangible assets should be amortised on a systematic basis over their economic lives.

LARGE SCALE VOLUNTARY TRANSFER

Large Scale Voluntary Transfer involves the Local Authority transferring the ownership of its HRA dwelling stock to a new landlord, with the agreement of the tenants.

glossary

LEASING

A method of utilising assets where a rental charge is paid for a specified period of time, instead of outright purchase.

LOANS OUTSTANDING

The total amounts borrowed from external lenders for capital and temporary revenue purposes but not repaid at the balance sheet date.

MINIMUM REVENUE PROVISION (MRP)

The minimum amount which must be charged to the Council's revenue account each year and be set aside for the repayment of external loans.

NATIONAL NON-DOMESTIC RATES (NNDR)

A national non-domestic rate poundage for commercial premises is set annually by the government and collected by all local authorities. The proceeds are redistributed between local authorities in proportion to their adult populations.

NET BOOK VALUE

The amount at which fixed assets are included in the balance sheet, i.e., their historical cost of current value, less the cumulative amounts provided for depreciation.

NON-OPERATIONAL ASSETS

Fixed assets held by the Council, but not directly occupied, used or consumed in the delivery of services. Examples of non-operational assets are investment properties and assets that are surplus to requirements, pending sale or redevelopment.

OPERATIONAL ASSETS

Fixed assets held and occupied, used or consumed by the Council in the direct delivery of those services for which it has either a statutory or discretionary responsibility.

PRECEPT

The levy made by precepting authorities on billing authorities, requiring the latter to collect income from Council Taxpayers on their behalf.

PROVISION

An amount set aside in the accounts for liabilities that are certain to be incurred in the future, but which cannot be quantified accurately at the balance sheet date.

PUBLIC WORKS LOAN BOARD (PWLB)

A Government agency that provides longer-term loans to local authorities.

RENT ALLOWANCE

A subsidy payable by the Council to a low-income tenant in private rented accommodation.

RESERVE

Amounts included in one financial year's accounts to provide for payment for goods or services, whether revenue or capital, in a future financial year.

REVENUE ACCOUNT

An account that records an authority's day-to-day expenditure and income on such items as salaries and wages and other running costs of services.

S151 OFFICER

The colloquial name for the Chief Finance Officer.

STATEMENT ON INTERNAL CONTROL (SIC)

Regulation 4(2) of The Accounts and Audit Regulations 2003 requires English authorities to 'conduct a review at least once in a year of the effectiveness of its system of internal control' and include a statement on internal control with any statement of accounts. The statement should relate to the system of internal control as it applied during the financial year for the accounts that it accompanies.

An authority may decide to publish a wider-ranging statement on internal control than that required by legislation and/or a statement on the adoption of a local code of corporate governance and how they have complied with such a code and monitored its effectiveness. Where this is the case the authority may choose to include these statements, signed on behalf of the authority, with their Statement of Accounts in place of the legislative requirement to include a SIC or SORP requirement to include a Statement on the System of Internal Financial Control (SIFC).

STATEMENT OF RECOMMENDED PRACTICE (SORP)

A Statement of Recommended Practice (SORP) on Accounting Practices for local authorities is prepared regularly, and the SORP's form enables it to be related to the Financial Reporting Standards issued by the Accounting Standards Board. The SORP sets out the proper accounting practices required for Statements of Accounts, by section 21(2) of the Local Government Act 2003 prepared in accordance with the statutory framework established for England by the Accounts and Audit Regulations 2003.

The Chartered Institute of Public Finance and Accountancy (CIPFA) is the recognised SORP setting body for local government in England and Wales.

STATEMENT OF STANDARD ACCOUNTING PRACTICE (SSAP) 9

SSAP 9 gives guidance on the accounting treatment of both stocks and long-term contracts. Stocks should be valued at the lower of cost and net realisable value (actual or estimated selling price after deduction of all further costs to completion and costs of marketing, selling and distribution).
